ALBERTO ITALIAN STUDIES INSTITUTE *RESEARCH ASSOCIATES*

The Alberto Institute has created a program for faculty, in all of the university's colleges and schools, as well as visiting and adjunct faculty, to affiliate themselves with the Alberto Institute by becoming "Research Associates." Participating faculty members will be listed on the Institute's website directory.

The Alberto Institute will make available to Research Associates, who obtain outside sources of funding for their research, matching funds on a one-to-one basis for each fiscal year up to \$1,000 and will contribute with a small publication subvention of \$1,000 or \$2,000 to book ventures involving reputable presses.

If interested fill the following form and/or contact Dr. Romani at romaniga@shu.edu
