

- M.B.A. Pre-Qualification (PQ) Sequence and Waiver Policy -

PQs have a one-time cost as listed below. Each PQ is approximately 12 – 30 hours in length.
The PQs may be waived if the following applies:

Legal Studies PQ (BMBA 8009) \$425 (0 Credits)

An undergraduate **Business Law** course taken within *five years* of enrolling in the M.B.A. program.

Accounting PQ (BMBA 8010) \$425 (0 Credits)

Financial Accounting or the equivalent taken within *seven years* of enrolling in the M.B.A. program or a current professional accounting license (CPA license).

Economics PQ (BMBA 8011) \$425 (0 Credits)

Six credits of **undergraduate economics** taken within *seven years* of enrolling in the M.B.A. program. (A student with only **three credits** of undergraduate economics may opt to take the Economics Challenge Exam.)

Finance PQ (BMBA 8013) \$425 (0 Credits)

Within *five years* of enrolling in the MBA program, a student must have either: (1) earned a business degree or (2) completed a basic finance course.

Math PQ (BMBA 8018) \$425 (0 Credits)

An undergraduate degree with a major in math.

Statistics PQ (BMBA 8019) \$425 (0 Credits)

Waived only by the Statistics Challenge Exam.

Information Technology Management PQ (BMBA 8020) \$425 (0 Credits)

Waived only by the Information Technology Management Challenge Exam.

- PQs and Challenge Exams (\$50) **are offered just before** every semester. Challenge Exams are offered first, then the PQs. If a student does not pass the Challenge Exam, he/she may still register for the PQ.
- An M.B.A. student must receive a passing grade on a Challenge Exam to “challenge out” of a PQ. (There are no Challenge Exams for the Accounting PQ and the Finance PQ.) All Challenge Exams are offered through the Stillman Student Information Office (SIO) at (973) 761–9222.
- For all undergraduate courses listed above, students must have received a passing grade.
