STUDENTS CURRENTLY IN THE U.S. ON ANOTHER STATUS

If you are in the U.S. on a status other than F-1 (J-1, B-2, F-2, etc.), you may also need to apply for a **change of status** in order to study legally in the U.S. In addition to all of the documents required to issue an I-20, you also need to complete additional items to file for a change of status. You must apply for your change of status before your current status expires; we suggest doing so at least 60 days prior to the expiration of your status. If you are in the U.S. on a B visa you will not be able to study until your change of status is approved. For more information about the change of status process, visit the Office of International Programs (OIP) Web site at academic.shu.edu/oip or contact the OIP at (973) 761-9072, or oip@shu.edu
