Master of Arts Degree
ONLINE
School Library Media Specialist
Nationally Recognized Program – NCATE/AECT

The School Library Media Specialist (SLMS) program prepares K-12 school library media specialists to be certified by the state of New Jersey.

The SLMS program provides courses that fulfill the NJ State certification requirements with the technology orientation sought by many school districts today. Graduates are fully certified to administer K through 12 school library media centers. Our program includes the most current courses and technologies in the field to prepare candidates to become school library media specialists who are technology leaders.

A 24 month, 36 credit degree program, students complete course requirements online and are able to earn the degree while continuing to meet professional and personal commitments. Programs are offered at the master's level. Three weekend on-campus residencies are required.
