Instructions for undergraduate students: Register on the web by Fall 2008 anticipated class according to your last name. Class level is determined by adding total undergrad earned credits to Spring 2008 credits in progress AND any summer 2008 credits for which you have already registered. For example: if you now have 45 total credits completed (add up SHU earned credits, transfer credits, AP or CLEP credits) and you are taking 15 credits in Spring 2008 and you have preregistered for 3 credits at SHU in summer 2008, register as a junior ($45 + 15 + 3 = 63$).

Web Registration: In preregistering on the web, you MUST register during your designated time slot. These times apply to both day and evening students, including non-matriculated students.

In Person Registration: In person preregistration begins on Monday, March 31. The right columns in the grid above indicate the earliest time you may register if you chose to register in person. You may register in person at your assigned time or any time thereafter through April 8. In person registration requires that you bring your signed grid to the Office of the Registrar in Bayley Hall during office hours: 8:45 a.m. - 4:45 p.m. (Monday through Friday). Note: in person registration for closed courses must be done during these designated times. Register for all other courses on the web.
