Need help in Biology, Chemistry, or Mathematics courses?

Hello! My name is William Kohman, a sophomore student majoring in Biology and minoring in Mathematics. After undergraduate, I plan to go to medical school so I could eventually become a surgeon. I’m extremely passionate about helping others achieve their goals. In my free time, I like building gaming computers so I could play games such as Overwatch and Fortnite. I also try to play tennis whenever I can throughout the year. That being said, I look forward to assisting you this year and if you ever need any help don’t be afraid to ask!

Subject Areas:

- General Biology I & II with Labs
- College Algebra
- Calculus II
- General Chemistry I & II with Labs
- Pre Calc Math Alg and Trig
- Intro to Discrete Mathematics

I’m available for **FREE walk-in tutoring** (no appointments necessary) on the following days starting on **September 5th**:
