Tau Kappa Epsilon is sponsored by **Classical Studies (Department of)**

Members of Tau Kappa Epsilon value scholarship, character, leadership, teamwork, service, and brotherhood. We aim to make a positive difference in society, and become better people in the process. The Offices of the Grand Chapter (International Headquarters), located in Indianapolis, Indiana, produces, collects, maintains and distributes a vast library of resources to chapters and colonies. The Regional Servicing Team (paid and unpaid staff) provides visitation and support to chapters and colonies. Over 500 consulting visits are conducted each year. The Director of Chapter Development, along with the Regional Servicing Team are dedicated to assisting chapters that want assistance with membership recruitment (fraternity rush). The two Assistant Directors of Chapter Services provide specialized service in expansion, interest groups, discipline and finances.
