Rich Text Formatting:
You can use some rich text formatting in the page body.

Bold: Ctrl + B, Cmd + B (Mac)
Italics: Ctrl + I, Cmd + I (Mac)

Alternatively you can draft text in Microsoft Word and paste it into this form. Most formatting will be preserved.

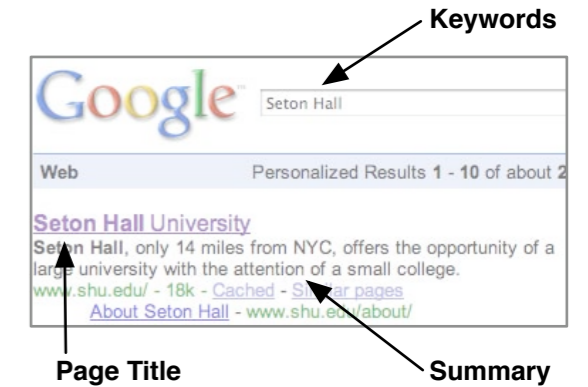

Please Note: Acrobat will not preserve hyperlinks when pasting from Word or a Web browser. To include a hyperlink in the final page, quote the text you want linked and paste in a URL after it.

Example: "'Seton Hall University' <http://www.shu.edu> is only 14 miles from New York City."

This will become "[Seton Hall University](#) is only 14 miles from New York City." when the page is created.

Notes or Special Instructions:

Please e-mail your completed form to webeditor@shu.edu.

To view this example in your browser, search for *Seton Hall* at Google.

Use the **Special Instructions** section if you would like the Web team to include pictures, tables or other elements in the page body.
