This report is prepared in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

This Report is published October 1, 2018. It covers the 2017 calendar year and statistics for calendar years 2015, 2016, and 2017.
September 1, 2018

Thank you for your interest in the Seton Hall University Annual Security Report. This report, which is published annually in September, contains important information about the 2017 calendar year for our university communities. Safety and Security is always on our minds here at Seton Hall. We have committed resources to help keep our students safe and secure. Our Department of Public Safety and Security works diligently to protect our students, staff, administrators and faculty on all the Seton Hall campuses. But public safety is everyone’s business. The policies and procedures described here are designed to keep our community aware and safe. Please familiarize yourself with them.

This report complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (known as the Clery Act). Please review the information and policies included here. If you have specific questions, you may contact Public Safety at 973-761-9300 or my office at 973-761-9075.

Sincerely,

Tracy Gottlieb, Ph.D.
Vice President, of Student Services
ANNUAL SECURITY REPORT

One of the country’s leading Catholic universities, Seton Hall University has been developing students in mind, heart and spirit since 1856. Home to nearly 10,000 undergraduate and graduate students and offering more than 90 rigorous majors, Seton Hall’s academic excellence has been singled out for distinction by The Princeton Review, U.S. News & World Report and Bloomberg Businessweek.

The University operates at three separate campuses – the main campus in South Orange, New Jersey, the Law School in Newark, New Jersey, and a nursing degree program on the campus of Georgian Court University (GCU) in Lakewood, New Jersey. This report is for the nursing program at Georgian Court. The program is housed in one building located at 555B Lakewood Avenue, Lakewood, NJ, 08701.

PREPARATION OF THE ANNUAL SECURITY REPORT AND DISCLOSURE OF CRIME STATISTICS

It is the policy of Seton Hall University (SHU) to fully comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). The preparation of the Annual Security Report (ASR) is a collaborative effort between Public Safety and Security (PS&S), the Dean of Students Office, Campus Security Authorities (CSA’s), and several local law enforcement agencies.

The Assistant Director for Administrative Services, Public Safety mails annual requests for statistics to local law enforcement agencies and is in regular communication with other departments with significant responsibilities for students and University activities. The University compiles this information in the University’s Annual Security Report.

This report contains three years of crime statistics related to incidents that occurred on University property or property owned or controlled by Seton Hall, and on public property immediately adjacent to and accessible to the campus. The ASR also contains institutional policies about security, sexual violence, safety, and crime prevention.

By October 1st of each year, the Vice President for Student Services sends an email to all members of the University community notifying them of the availability of the ASR. It is available online at www.shu.edu/ASR-Georgian-Court. You may also request a printed copy by emailing Public Safety & Security at security.request@shu.edu or by visiting the department adjacent to the Ward Gate on the main campus at 400 South Orange Avenue, South Orange, NJ.

SECURITY AND ACCESS

Seton Hall University does not have a security presence at Georgian Court University. The building in which our Nursing program is located is owned by Georgian Court University. Therefore, security of and access to the building and surrounding area is managed by Georgian Court University Office of Security.

As stated in the GCU ASR, “Access to Campus Facilities University offices are generally open weekdays from 8:30 am to 4:30 pm. Classes begin at 8:00 am, and evening classes are in session until 10:00 p.m. Buildings are generally open prior to 8:00 am and secured by 11:00 pm. The Ninth Street
Gate is open 24 hours a day, 7 days a week. The Seventh Street Gate is open from 7:00 am to 10:00 pm Monday through Friday and is normally secured Saturday and Sunday.”

ENFORCEMENT AND JURISDICTION
Seton Hall University does not have a security presence at Georgian Court University. We rely upon GCU Office of Security for their on-site presence for enforcement and jurisdiction in areas of safety and security. The GCU Office of Security works closely with the Lakewood Police Department and has Memorandum of Understanding with that Department. Seton Hall students should know that GCU security officers are unarmed and do not have arrest powers.

MONITORING AND REPORTING OF CRIMINAL ACTIVITY
Seton Hall University has no officially recognized student organizations with non-campus locations.

REPORTING CRIMES AND OTHER EMERGENCIES
If crimes are not reported, the University is limited in its ability to help prevent other members of the community from becoming victims. Our community is safer when we all work together to make it that way by promptly reporting crimes and by participating in and supporting crime prevention efforts.

In an emergency call 911.

Seton Hall strongly encourages that all crimes be directly reported to:
Security, Georgian Court University – 732-987-2611, located at the Main Entrance, Ninth Street and Private Way.
Lakewood Police Department – 732-363-0200
Seton Hall Public Safety & Security – 973-761-9300, located at the Ward Gate Entrance, 400 South Orange Ave., South Orange, NJ.

In a non-emergency, SHU recognizes that some individuals may prefer to report to other officials or departments on campus. The Clery Act identifies these officials as “Campus Security Authorities” and they include:

a) Public Safety & Security
b) Individuals responsible for security outside of PS&S (i.e. event management, building access)
c) An official who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings.
d) Any individual or organization the institution has identified to which student and employees should report criminal offenses.

All CSA’s have been advised of their responsibility to forward any report they receive to Public Safety and Security. While the University has several CSA’s, the following places are designated as where individuals should report crimes or policy violations:

Seton Hall Public Safety and Security
973-761-9300
located at the Ward Gate Entrance, 400 South Orange Ave., South Orange, NJ.
Anonymous Reporting
Public Safety & Security also accepts anonymous reports online. Please provide as much detail as possible. If you do wish to speak with someone, you can include your contact information. The form can be accessed here - [https://www13.shu.edu/offices/public-safety/anonymous-witness.cfm](https://www13.shu.edu/offices/public-safety/anonymous-witness.cfm).

Confidential Reporting
Appropriately credentialed members of the Counseling and Psychological Services, Health Services, and the Priest Community are not CSA’s when acting in their counseling, medical, or pastoral role and are considered Confidential Employees. Confidential Employees do not report any information to Public Safety or the Title IX Coordinator without the permission of the individual making the report.

TIMELY WARNING
Public Safety & Security will issue a “timely warning” notice in the event it receives notice of a Clery crime occurring at 555B Lakewood Avenue, on public property immediately adjacent the building, or on non-campus property owned or controlled by the University, where the University determines, in its judgement, that the situation presents a serious or ongoing threat to the University community. For purposes of this policy, “timely” means as soon as reasonably practical after an incident has been reported to Public Safety and Security.
Whether to issue a timely warning is determined on a case-by-case basis for the following Clery Act crimes: homicide, sex offenses (rape, fondling, incest, and statutory rape), robbery, aggravated assault, burglary, motor vehicle theft, arson, domestic violence, dating violence, stalking and hate crimes, as defined by the Clery Act.

In deciding whether to issue a timely warning the University will consider a number of factors to determine if there is a serious or ongoing threat to the University community. Those factors include, but are not limited to, 1) the nature of the incident; 2) when and where the incident occurred; 3) the amount of the information known to PS&S. The reason why the University does or does not issue a timely warning will be documented and maintained with a copy of the incident report for a period of seven years by PS&S.

The Associate Vice President for Public Safety & Security (AVPPS&S), or his/her designee, will consult with the Vice President for Student Services, or his/her designee, who is responsible to decide if a timely warning will be issued. AVPPS&S and Vice President for Student Services will determine the content of the timely warning. The content of timely warning will include at minimum, to the extent known, the date, time, and nature of the offense, a physical description of the actor(s), and where applicable, cautionary advice that would promote safety.

A timely warning is sent by email to all members of the University community by Public Safety and Security. Several members of the PS&S department have been trained to issue these warnings. The University may also use the Pirate Alert system, the University’s text message service, to supplement the email message. Additional information about the incident may be sent by email, text message, and/or posted to the University’s website.

**EMERGENCY NOTIFICATION AND EVACUATION**

**Emergency Response Plan**
The University has a comprehensive Emergency Preparedness and Response Plan. The Plan details the processes and communications for a successful response to, and recovery from, an emergency incident.

Public Safety & Security administrators and security managers have received training in Incident Command and Responding to Critical Incidents on campus. Depending upon the nature of the incident, other University departments and other local, state or federal agencies could also be involved in responding to the incident.

General information about the emergency response and evacuation procedures are part of the University’s Campus Security Act compliance efforts and is available on the Public Safety & Security website at: [http://www.shu.edu/offices/public-safety/emergency-preparedness.cfm](http://www.shu.edu/offices/public-safety/emergency-preparedness.cfm).

**Drills, Tests and Exercises**
Public Safety & Security tests the Emergency Response Plan at least annually through a structured tabletop exercise. The results of the exercises are analyzed and reported to the Vice President for Student Services.

Emergency notification systems, the Emergency Siren and Pirate Alert, are tested twice per year.
Seton Hall does not conduct an evacuation drill of 555B Lakewood Avenue as the building is owned and operated by Georgian Court University. GCU is responsible for evacuation drills of this locations.

Emergency Notification
The University will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Upon notification to Public Safety that there is, in fact, an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the University community, the Associate Vice President for Public Safety & Security (AVPPS&S), or his/her designee, will consult with the Vice President for Student Services, or his/her designee, to determine modes of notification.

Public Safety & Security is responsible for issuing emergency notifications; three individuals have been trained to do so – Associate Director, Assistant Director, and Assistant Director for Administrative Services. Several templates have been developed for notifications. The individual issuing the notification will select the appropriate template and modify it to reflect the specifics of the situation. The Vice President for Student Services, or his/her designee, will assist with the content as needed.

The University has several systems it may use to communicate quickly with the community:

**PirateAlert System** - This is the University’s electronic mass notification system through which warnings and instructions are transmitted to the University community via cellular voice, cellular text, landline telephone, and e-mail. All SHU community members are automatically registered to receive e-mail messages and are urged to register with PirateAlert to receive messages through the other modes. In addition, all community members who provide a cell phone number as part of their application automatically have that number entered into the system. PirateAlert is used throughout an emergency event to alert and warn the community of an impending or occurring hazard, to provide instructions such as “shelter-in-place,” or to inform the community when the hazard has been abated. The PirateAlert system may also be used to alert the community to hazards that are beyond the scope of crimes and locations specified by the Campus Security Act.

**SHU Web Site and E-mail Alerts** - For emergency events for which there is adequate warning time to alert the SHU community, warnings and detailed emergency instructions may be posted on the SHU web site and broadcast via E-mail Community Alerts. A SHU Emergency Web Site can also be activated to replace the regular web site during emergency events.

An emergency affecting the SHU community would generate concern from groups beyond the individual location. Emergency notification may be disseminated to the larger community through the University website and local, regional, or national media.

Seton Hall students in the Nursing Program at Georgian Court University may also receive Timely Warnings from GCU as they are considered to be part of the GCU community as well. For that reason, we encourage Seton Hall students to be familiar with GCU Timely Warning and Emergency Notification policies of Georgian Court as described in the University’s Annual Security Report. The Georgian Court Annual Security Report is available online at [http://georgian.edu/wp-content/uploads/Campus-Safety-Brochure.pdf](http://georgian.edu/wp-content/uploads/Campus-Safety-Brochure.pdf) or by going to the GCU Office at Security in Raymond Hall East, 2nd Floor.
SECURITY AWARENESS & CRIME PREVENTION PROGRAMS

The University encourages all members of the community to be active participants in the prevention of crime. Public Safety leads this effort with the support of other campus departments through educational programs held throughout the year.

DRUG, ALCOHOL, AND SUBSTANCE ABUSE

The possession, sale, or the furnishing of alcohol on the University campus is governed by University policy and New Jersey state law. The enforcement of policies on campus is the responsibility of the Housing & Residence Life staff and Public Safety & Security personnel.

Per New Jersey state law it is unlawful to sell, furnish, or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age is illegal. The University also prohibits the possession of alcohol by any student in all public locations on campus.

The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Similarly, University policy does not permit the use, possession, manufacture, or distribution of controlled substances, including paraphernalia on campus property. Enforcement of University policy is the responsibility of Housing & Residence Life staff and Public Safety & Security personnel.

Violators of the University’s alcohol and/or drug policies are subject to disciplinary sanction that may range to University expulsion. In addition, individuals may be referred for criminal prosecution that may include fine and imprisonment.

For employees, substance abuse is detrimental to an individual’s health and may jeopardize safety in the workplace. For these and other reasons, the unauthorized use, possession, storage, manufacture, distribution and sale of alcohol, controlled substances, and illegal drugs is prohibited on campus for all employees. For more information consult Human Resources or the “Drug and Alcohol Free Workplace Policy” at [http://www.shu.edu/offices/policies-procedures/drug-and-alcohol-free-workplace.cfm](http://www.shu.edu/offices/policies-procedures/drug-and-alcohol-free-workplace.cfm).

Seton Hall University is committed to a healthy environment for all members of our community. The University’s comprehensive education programs exceed the requirements of the Higher Education Act of 1965, as amended. The biennial review of these programs and more detail about the programs...
Students studying in the Seton Hall University Nursing program at Georgian Court University should be aware that they are expected to observe the rules and regulations of GCU, including those related to drug and alcohol possession and use. Those policies may be found in GCU’s Annual Security Report - [http://georgian.edu/wp-content/uploads/Campus-Safety-Brochure.pdf](http://georgian.edu/wp-content/uploads/Campus-Safety-Brochure.pdf).

**SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING: PREVENTION**

As stated by Tracy Gottlieb, Ph.D., Vice President for Student Services:

“We at Seton Hall University are committed to fostering a positive working and learning community. We take this very seriously and accept our responsibility to help both students and employees understand the guidelines that are outlined in Title IX of the Education Act. We are committed to a university free from sexual harassment and sexual assault. Anything less is unacceptable.”

All new students receive information in written form about University policies, resources, and reporting procedures through available brochures and a dedicated website [www.shu.edu/titleix](http://www.shu.edu/titleix).

All new employees attend New Employee Orientation within a month of their start date. During this program the Director of EEO Compliance and Title IX Coordinator presents information to all employees about:

- University Policy Against Discrimination and the Guidelines for Responding to Complaints of Discrimination, Harassment and Retaliation
- Conscientious Employee Protection Act and Reporting via EthicsPoint
- Equal Employment Opportunity Affirmative Action Statement
- Title IX
- Non-discrimination/Title IX Statement
- Responsible Employees: Reporting Obligations Under Title IX
- Confidential Reporting Resources
- Resource Guide for Assisting Student Victims of Sexual Violence
- Reporting Options for Survivors

This information is presented orally and in written format.

All employees and faculty members are required to complete two online training modules on a biannual schedule. The modules are: *Preventing Discrimination & Sexual Violence: Title IX, VAWA and CLERY Act for Faculty and Staff and Discrimination & Harassment Prevention for Higher Education*. These on-line programs provide information on federal and state law as well as specific Seton Hall policies and procedures. The training provides information on definitions of discrimination and sexual harassment including sexual violence, reporting protocols and questions/vignettes to apply the definitions to different scenarios and fact patterns in order to assist with the understanding of the material.

The Title IX Coordinator, the Dean of Students Office and the KNOW MORE program all offer ongoing training on resources, policies, and required reporting protocol to any student group, faculty, or staff department upon request.
SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING: RESPONSE PROCEDURES TO FOLLOW

Seton Hall University is committed to creating and maintaining an educational environment free from all forms of sex discrimination including sexual misconduct. Any act involving sexual harassment, violence, coercion, and intimidation will not be tolerated.

Specifically, the University strictly prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking. Upon learning that an act of sexual misconduct has taken place, immediate action will be taken to support the victim, to address the situation, and to work with State and local law enforcement if appropriate.

Seton Hall University prohibits all forms of sexual misconduct. This broad term includes, but is not limited to, acts of sexual harassment, sexual violence, sexual coercion, sexual threats or intimidation, domestic violence, dating violence, sexual assault, stalking, and cyber stalking. The University strongly encourages accurate and prompt reporting of these crimes to both campus officials and to local law enforcement. There are, however, options available for students who wish to maintain confidentiality while getting the support they need.

Confidential Reporting – Crimes reported to a member of the clergy, of Counseling & Psychological Services (CAPS), or of Health Services, when that member is acting in performance of his/her role as clergy, counselor, or medical provider, are considered confidential and will not be reported without the consent of the reporting individual. As a matter of practice, victims and witnesses are provided information as to how they may report a crime on or off campus. By law, members of CAPS and Health Services are required to report when an individual has expressed intent to harm him/herself or others.

Local Law Enforcement Reporting
Victims are encouraged to pursue a criminal complaint and the University will support a victim in doing so. The Department of Public Safety and Security will assist a victim in contacting local law enforcement agencies to initiate an investigation if they so choose.
Lakewood Police Department – 732-363-0200

Reporting a crime to Public Safety or to a campus office does not obligate the victim to pursue criminal prosecution. For students, in addition to criminal charges, sexual misconduct is prohibited conduct as specified in the Student Code of Conduct found at http://www.shu.edu/offices/student-life/community-standards/index.cfm. Both the victim and the accused are afforded equitable rights during the investigative process. This applies to all members of the University community including students, faculty, staff, visitors, independent contractors, and other third parties who are on campus and involved in an incident of sexual misconduct that occurs on the University campus which includes any building or property owned or controlled by Seton Hall University and used in direct support of or in a manner related to the University’s educational purposes including residence halls, dining halls, and public property within or immediately adjacent to and accessible from campus. This policy also covers conduct that takes place off-campus that may have a nexus to the University community. This applies to all educational, extracurricular, athletic, or other campus programs, all University-related activities including, but not limited to, student organizations (academic, Greek, multicultural, religious, service, social and support, sports and recreational), community organizations with students and/or faculty participation, and all other educational or extracurricular events hosted by or at the University. This also applies to incidents occurring between individuals in varying types of relationships – students, faculty, staff, visitor, contracted employee, supervisor, subordinate, coach, student athlete or any combination thereof. These acts may be committed against an individual or against a group or organization and by a stranger, acquaintance, or someone with whom the victim has a social, romantic or intimate relationship. These acts may be committed by or against any individual, regardless of sexual orientation or gender identity.
Preservation of Evidence and Medical Exam
A victim can receive medical attention at any medical facility; however, certain facilities have specially-trained staff to help survivors of sexual assault. Locally, these hospitals have sexual assault nurse examiners:

Ocean Medical Center
425 Jack Martin Blvd.
Brick, NJ 08724
732-840-2200

Monmouth Medical Center
South Campus
600 River Avenue
Lakewood, NJ 08701
732-363-1900

It is important to preserve evidence that may be useful in obtaining a protection order or in proceeding with a criminal investigation should one choose to do so. Completing a forensic exam does not require a victim to file a police report or report to the University, although the University encourages these reports if the victim is comfortable doing so.

Medical exams can also address other physical needs or trauma and assess for sexually transmitted infections or pregnancy.

If possible, the victim should not bathe, douche, smoke, use the toilet or clean the location where the incident occurred. He/she should save items he/she was wearing, and sheets, or towels in a paper bag. Text messages, records of phone calls, emails, pictures, notes, and gifts can all be pertinent for a report of sexual assault, dating violence, domestic violence or stalking.

Assistance and Campus Resources
Regardless of whether the victim chooses to report what happened to local police or to the campus discipline system, there is assistance available, such as:

- Academic assistance - address difficulties with classes
- Transportation assistance – to get to the hospital, the police, etc.
- Counseling – confidential services available on campus
- No Contact Order – a University directive prohibiting direct or indirect contact between the victim and the Respondent when the Respondent is a student or employee.
- Persona Non Grata (PNG) – when the Respondent or the accused is not a student, he/she can be issued a PNG letter, limiting or prohibiting access to campus.

To obtain any of the above assistance, the victim is encouraged to speak with Dean of
Making a Report or Complaint
A victim may choose to report to law enforcement, may choose to report through the University’s disciplinary process, may report to both, or may choose to access neither of the options. Seton Hall will protect the victim’s identity in publicly available information, such as within our annual security report. The victim can also access the assistance and accommodations listed above regardless of where/if he/she chooses to report. The University will also keep information about the accommodations private as well, as long as it does not limit our ability to provide them to the victim. If the University would need to share information in order to provide an accommodation, the University would notify the victim of what needs to be shared, why, and with whom prior to sharing the information.

Making a Report to Law Enforcement
What law enforcement agency to report to can vary depending on the specifics of the individual case, but the University can help the victim determine that and will assist him/her in reporting to law enforcement.

The number for the Lakewood Police Department is 732-363-0200.

Many victims find law enforcement to be a great resource. Others choose not to report to law enforcement. Seton Hall always encourages reporting, but the University understands that only the victim can determine if doing so is the right decision for him/her.

Restraining Order
A restraining order is a legal order of protection issued in the state of New Jersey. To obtain a restraining order, one must go to the law enforcement agency for where one lives in NJ or for where the incident occurred. After taking the victim’s statement, the police will arrange for the victim to speak with a judge (usually by phone) who will issue a Temporary Restraining Order. The victim will then be given a court date for when the judge will determine if the Temporary Restraining Order will become Permanent. Again, the University will assist the victim in getting to the police, the courthouse, or any other related places.

Making a Report on Campus – Disciplinary Process
The University disciplinary procedures will provide a fair, prompt, and impartial process from investigation to final result. The investigation and any hearing will be conducted by those who receive annual training on issues related to VAWA crimes, how to conduct an investigation, and a hearing process that protects student safety and promotes accountability. Parties are entitled to the same opportunities to have an advisor of their choice present at any hearing and related meetings. There is no limit to the choice of an advisor; however, the parties are responsible for presenting evidence on their own behalf. Advisors may speak privately to their advisee during the proceeding, but cannot participate in the hearing, meeting, or interview, and cannot present evidence or cross-question witnesses. Parties will be informed simultaneously in writing of the outcome of the process, the availability of any appeal procedures, and when the results become final after any appeals.

The disciplinary process available for victims of sexual violence are the Student Code of Conduct procedures available in full at http://www.shu.edu/offices/student-life/community-standards/index.cfm. The steps taken are:
1. Official report taken by Public Safety and Deputy Title IX Coordinator.

2. Investigation by Public Safety & Deputy Title IX Coordinator, including interview of all parties and any identified witnesses. The investigation will be completed as quickly as possible, normally within four to six weeks of the official report.

3. The respondent will have an initial meeting to review the potential charges and be made aware of options available to him/her (to accept responsibility and be sanctioned, to deny responsibility and request a hearing, to permanently withdraw from the University prior to adjudication). The respondent will be given forty-eight hours to choose which option he/she wishes to pursue.

4. If the matter is referred for student conduct hearing, the complainant and the respondent will be notified in writing of the official charges, the time and date of the hearing, and copies of any incident reports and interview summaries. The hearing will be scheduled to accommodate the parties’ class schedules only. The hearing will normally be scheduled within twenty days of the official notification of the hearing.

5. Both the complainant and respondent are encouraged to meet with the Board Chair to review hearing procedures prior to the hearing.

6. Both the victim and respondent will be notified in writing of the decision of the Board, normally within ten days of the decision being final. Such notification will include the effective date(s) of any sanction(s) issued.

7. Both the victim and respondent will have the opportunity to appeal within five days of receiving the Board decision. The grounds for appeal and detailed appeal procedures are listed in the Student Code of Conduct and included in the written notification of the Board’s decision.

8. Both the victim and respondent will be notified in writing of the decision of any appeal within 20 days of receipt of the appeal. The appeal authority may increase any sanction issued, decrease any sanction issued, or refer the case for review by a new Board. The written notification will include any change to the original sanction, including any change to the effective date. The decision of the appeal authority is final.

Note: “Days” refers to academic days, or when the University is in normal session for the fall and spring semesters. Matters falling outside of this time frame may proceed on a different time schedule as determined by the Dean of Students.

Pending resolution of the complaint, the respondent may be prohibited from contacting the complainant and may be placed on interim suspension or otherwise denied access to the campus. The University may change the course schedule or residence assignment of the respondent. In the case of a non-student, the respondent may be declared Persona-Non-Grata denying him/her access to the campus and campus activities otherwise afforded to the public.

A student who has reported/is a victim of sexual misconduct may request an academic accommodation or change in residence and will receive an appropriate and reasonable accommodation. These include a change in academic or work schedule, withdraw from class without academic penalty, access to tutoring services, and change in residence hall assignment. Off-campus students may be offered on-campus accommodations.

Determining Process to be Used
If a student complainant presents a complaint against an employee of the University for alleged violation of the University’s sexual harassment or misconduct policy, the complaint is referred to the Title IX Coordinator. The full guidelines for investigating and responding to such complaints are

If a student complainant presents a complaint against a student of the University for alleged violation of the Student Sexual Misconduct policy, the complaint is referred to the Deputy Title IX Coordinator and the Student Conduct process (as described above) is followed.

**University Definition of Consent**
The term “consent” refers to clear, unambiguous and voluntary agreement between the participants to engage in specific sexual activity.

Past consent between the participants does not imply future consent. Silence or the absence of resistance does not imply consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Coercion, force, or threat of either invalidates consent.

Someone who is incapacitated cannot give consent. Incapacitation may be due to the use of alcohol and/or other drugs, may be if a person is asleep or unconscious, or may be due to an intellectual or other disability that prevents the student from having the capacity to give consent.

**Standard of Evidence**
The standard of evidence used in all student disciplinary conduct hearings at Seton Hall University is preponderance of the evidence or a “more likely than not” standard.

**Sanctions**
A student who is found responsible for violation of the University’s policy of sexual misconduct is subject to any of the following possible sanctions.
Responsible for sexual assault – University Suspension for one semester, University Suspension for two semesters, University Suspension for three semesters, University Suspension for four semesters, or University Expulsion.
Responsible for dating violence, domestic violence, stalking, or other sexual misconduct (i.e. unwanted touching or fondling) – Probation II for one semester, Probation II for two semesters, Probation II for three semesters, Probation II for four semesters, Probation II for the remainder of time enrolled at the University, Residence Hall Suspension for one semesters, Residence Hall Suspension for two semesters, Residence Hall Suspension for three semesters, Residence Hall Suspension for four semesters, Residence Hall Expulsion, University Suspension for one semester, University Suspension for two semesters, University Suspension for three semesters, University Suspension for four semesters, or University Expulsion.

In addition to the above issued sanction(s), we may require an educational or developmental sanction such as required counseling, mandated change in residence, restricted access to campus or programs, or required service. Note that this type of sanction is additional and is not a sanction for sexual misconduct by itself.

Sanctions of University Suspension for any period of time and University Expulsion are noted on the academic transcript.
Privacy
The University will maintain as private any accommodations or protective measures provided to a victim as long as it does not impair the ability to provide such measures. Personally identifiable information about victims will not be included in any publicly available record-keeping, including the reporting and disclosure of crime statistics.

Additional Notes on Victim’s Rights in Pursuing a Complaint
Victims have the right to pursue criminal charges against the accused/respondent. If the respondent is a student, complainants can also pursue campus action through the Student Conduct Office regardless of where the offense occurred. Because of the sensitive nature of sex offenses, the case would be heard administratively or by an administrative board rather than through a student conduct board.

• Victims have the right to choose counseling and medical treatment and to report and prosecute their case through the University’s student conduct system and/or the off-campus court system. They have the right to refuse these options without reproach from any University personnel.
• Victims have the right to be treated with dignity and seriousness by University personnel.
• Victims of personal crimes have the right to be reasonable free from intimidation and harm.
• University personnel should inform victims that: 1) they are not responsible for crimes committed against them; 2) they should not consider themselves negligent or in any way a contributor to the crime; and 3) that adverse publicity for the college will NOT be a factor in deciding the best course of action.
• Victims will be made aware of appropriate support services, including counseling.

Due Process Rights –
For Student Code of Conduct proceedings, a student has the following rights:
• To a hearing by an unbiased hearing body.
• To have an advisor present at the hearing.
• To written notice of the charges which indicates the time and place of the hearing. Proper written notification shall be defined as delivery of mail to a student’s on-campus mailbox, hand-delivered by campus staff, delivery of information via electronic message to a student’s assigned campus e-mail account, or delivered by the U.S. Post Office to a student’s local address. Students shall be held responsible for the contents of mail for which they have failed to retrieve and/or read or refused receipt.
• To receive a copy of the written report(s) stating the circumstances and allegations involved. This information shall generally be given to the student at the time they receive notification of the time and place of the hearing.
• To object to a Board member who is serving in the capacity of the hearing body on the basis of bias. The board chair will determine the validity of the objection.
• Not to present information against herself/himself.
• To hear and respond to all information presented against her/him. This includes the right to question all parties directly or through the hearing body, as determined by the Board chair.
• To present information and witnesses in his/her own behalf.
• To written notification of the results of a hearing normally within ten days after the hearing. Both the victim and the accused will be informed of the decision at the same time.
• To appeal the outcome of a hearing, except in cases where the accused accepts responsibility for violation of the stated policy(ies). A student must be informed of her/his right to appeal and the process by which to do so.

For more information on victim’s rights and/or the rights of the accused contact the Dean of Students Office, 973-761-9076.

**Written Notification to Students, Employees and Victims of VAWA Crimes**
The University will provide written notification to students and employees about existing and available counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, and other services available in the community and on campus to victims of dating violence, domestic violence, sexual assault, and stalking. The University will also provide information about these services in writing to victims of domestic violence, dating violence, sexual assault, and stalking, whether the offense occurred on or off-campus. This information is provided in this Annual Security Report, on the University’s website at [http://www.shu.edu/offices/student-life/titleix/index.cfm](http://www.shu.edu/offices/student-life/titleix/index.cfm), and through related brochures placed throughout the campus.

The University will provide written notification to victims who report to the Title IX Coordinator or Deputy Coordinator regarding rights and options, including: available and existing on- and off-campus services such as victim advocacy, counseling, health, mental health, legal assistance, visa and immigration assistance; available and applicable institutional disciplinary procedures, and an explanation of those procedures; confidentiality in protective measures and Clery reporting and disclosure; and reasonable and available options and assistance with changing academic, living, transportation, and working situations, regardless of whether the victim chooses to report the crime to law enforcement. This information is provided on the University’s website at [http://www.shu.edu/offices/student-life/titleix/index.cfm](http://www.shu.edu/offices/student-life/titleix/index.cfm), and through documents and brochures provided to the victim by the Title IX Coordinator or Deputy Coordinator.

**Non-Retaliation Policy**
Retaliation against an individual who has made a good faith complaint of sexual violence, participated in the investigation of a complaint or otherwise exercised his/her rights under University policy or the law is prohibited. Retaliation is a serious violation and will, upon a finding that retaliation has occurred, subject the actor to disciplinary action up to and including separation from the University.

**Employee Complaint Process**
In those cases when the accused is an employee of the University, the matter is referred to the Office of EEO Compliance and Title IX Coordinator.

The person making the complaint or report is called the “complainant.” The person accused is called the “respondent.” The investigation is conducted by the Director of EEO Compliance/Title IX Coordinator (Director) and an assigned co-investigator. The investigators will interview the Complainant, the Respondent, and any witnesses with direct knowledge about the incident. The investigators will also collect any evidence that directly relates to the incident.

Both the Complainant and the Respondent may be accompanied to any meeting by an adviser of their choice for the sole purpose of providing support. The support person may not have personal
knowledge of or involvement in the matter being reviewed. Respondent’s supervisor may not serve as a support person. The support person is not permitted to participate in the investigation by, for example, asking or answering questions. A participant’s legal counsel shall not be permitted to participate in or interfere with the University’s investigation.

**Timeline**

All matters are handled as promptly as possible. The exact timeline will vary depending upon the complexity of the matter, the number of individuals involved, etc.

The Investigation and Final Report will normally be completed within 50 days of receipt of the complaint by the Director.

Within five (5) business days after receipt of the complaint by the Director, the Director will determine, in his/her discretion, whether the complaint falls within the Director’s authority and notify the Complainant.

Within five (5) business days after notification to the Complainant that the complaint falls within the Director’s authority, as described above, the Director, in consultation with appropriate University personnel, will evaluate the complaint and determine whether an investigation and/or other action is necessary. Although consultation with University personnel is called for under these Guidelines, the determination of whether an investigation is necessary remains at all times with the Director.

Within ten (10) business days following the completion of the investigation, the Complainant and Respondent will be advised verbally of the findings at separate meetings with appropriate University personnel. A confirming letter may be provided.

**Standard of Evidence**

In evaluating the evidence and assessing credibility, the Investigators will use a “more likely than not” standard to find facts and determine whether a violation of University policy has occurred. The factual findings of the Investigators are final and are not subject to appeal.

**Employee Sanctions**

If is determined that a violation of University has occurred, the investigators will make recommendations as to responsive action. Final determination of responsive action is made by appropriate University personnel (i.e. supervisor, Human Resources).

When disciplinary action is recommended, such action may include one or more of the following:

- Informal and formal counseling
- Mandatory training
- Progressive disciplinary action
- No-contact directive
- Transfer of position
- Removal of administrative appointment
- Demotion
- Suspension
- Termination of employment
In addition to other sanctions, the Title IX Coordinator may recommend employment modifications, as may be appropriate, supervision and/or security at locations where the Prohibited Conduct occurred or is likely to recur; arrange for conducting targeted or broad-based educational programming or training for relevant persons or groups; and/or impose any other remedial or protective measures that are tailored to achieve the goals of the policy.

**CAMPUS SEX CRIMES PREVENTION ACT**

A law requiring convicted sex offenders to report to appropriate state and local agencies responsible for sex offender registration and document their enrollment as a student, volunteer or acceptance of employment at educational institutions. The University will be notified of all offenders who fit the criteria. The New Jersey State Police website for information on registered sex offenders can be found at [http://www.njsp.org/info/reg_sexoffend.html](http://www.njsp.org/info/reg_sexoffend.html).

**GOOD SAMARITAN POLICY**

Student health and safety are fundamental to our community. Whenever there is concern for another student or belief that assistance is needed, students are expected to contact Public Safety. In the case of a medical emergency, students should immediately call 911.

Students who seek medical assistance for themselves or for an individual who is intoxicated or experiencing an alcohol-related emergency will not be subject to University disciplinary action related to the alcohol policy. Furthermore, the intoxicated student who receives medical assistance will not be subject to University disciplinary action.

When an incident that falls under the Good Samaritan Policy occurs, the student(s) involved will be required to meet with the Office of the Dean of Students to review the matter. While no formal disciplinary sanction (i.e. Probation) will be applied, an appropriate educational response may be. This may include participation in an educational class, mandated counseling assessment, additional fee for ambulance service, and/or parental notification. Failure to complete the educational requirements will result in referral to the University discipline system.

The following is also of important note:

- Other violations of the Student Code related to the same incident may be referred for disciplinary review and sanction.
- A student involved in more than one incident that falls under the Good Samaritan Policy may be subject to disciplinary sanction.
- Students may still be subject to local and state law for their behavior.
- The University reserves the right to review each incident on a case-by-case basis.

**CRIME DEFINITIONS – STATE OF NEW JERSEY**

The Violence Against Women Act requires the inclusion of certain state definitions in the Campus Security Report and also require that those definitions be provided in campaigns, orientations, programs and trainings for employees and students. Definitions required include consent, dating violence, domestic violence, sexual assault, and stalking. Note that the crime statistics listed later in this document are based upon federal definitions as required by the Campus Security Act, and are not reflective of state definitions.

**Consent:** New Jersey State does not define consent in a separate statute.

**Dating Violence:** New Jersey State does not specifically define “dating violence.” However, under New Jersey Law, intimate relationships are covered by the definition of domestic violence when the act constitutes a crime listed elsewhere in this document and is committed by a person in an “intimate relationship” with the victim.

**Domestic Violence:** Section 2C:25-19
