Planning Guide for New or Extensively Updated or Redesigned Publications

School/Program _____ Date Submitted _____

Objective(s) _____

What is the project history? What similar projects have been done previously? What initiated the need for this project?

What issues will this publication help address? (i.e. help build awareness in a specific group/drive participation in an event?)

What is the key message being conveyed? Secondary messages(s)? Any ancillary info or details? _____

Who is the target audience? (Be as specific as possible.) What do they already know or feel about the school/college/ program?

What characteristics should this piece have? What feeling should the publication convey about the school/college/ program?
(i.e. classic, contemporary, religious, fun, etc.) _____

What type of images convey the message(s)? Should this have a conceptual or information-based/literal design?

Specifications (type of publication, paper and size considerations, as well as specific logos) _____

How will the success of the project be measured? Is there a way to quantify that success? _____

How will the publication be distributed? _____

List other materials used with this piece _____
