SECTION B: FEDERAL TAX FILING STATUS AND INCOME VERIFICATION

If you have filed or will file a 2017 Federal Income Tax Return with the IRS, the best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If the student and parent(s) have not already used the tool, the parent and student should go to FAFSA.gov, log in to your FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you and your parent(s) are eligible to use the IRS Data Retrieval Tool to transfer 2017 IRS income tax information onto your FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about whether you should or how to use the IRS Data Retrieval Tool, please inquire with a representative in our office.
