

ARMY NURSE CORPS ASSOCIATION

2012 MEMORIAL SCHOLARSHIP PROGRAM

The Army Nurse Corps Association (ANCA) was originally founded as the Retired Army Nurse Corps Association in 1977. Membership is comprised of Army Nurse Corps officers from the Active Army, Army National Guard, or the Army Reserve. They may be currently serving, retired or honorably discharged from one of these components of the US Army. One of the Association's major initiatives is the Scholarship Program.

The purpose of the Army Nurse Corps Association Memorial Scholarship Program is to award scholarships to students who are US citizens attending accredited baccalaureate or graduate nursing or anesthesia nursing programs.

Memorial: The 2012 scholarships will be awarded in honor of Captain Joshua M. McClimans, AN, USAR, who was killed in a mortar attack in April 2011 while assigned to the Combat Support Hospital at Forward Operating Base Salerno in Afghanistan. A native of Jamestown, Pennsylvania, Captain McClimans was a 2003 graduate of the University of Akron School of Nursing in Ohio. He had served a previous active duty tour in Iraq and at Walter Reed Army Medical Center before joining the Reserve. We salute CPT McClimans for making the ultimate sacrifice for his country.
