

# The 2017 Experiential Education Awards

*Sponsored by:*

*The Career Center | Seton Hall University*  
*A Petersheim Academic Exposition Event*

# Social Clubhouse

Intern Employer of the Year

# 2017 Experiential Education Award Winner

“I was trusted with high-visibility assignments, which meant that I was in the stadium press box, at team press conferences, and most significantly, on the sidelines during nationally televised games.”

**Anthony Madle**

Stillman School of Business | Triple Information Technology, Marketing, & Sports Management Major  
Intern | The New York Giants

# 2017 Experiential Education Award Winner

“Being trusted with the opportunity to write articles and speaking proposals on behalf of the executive team was an incredible experience. I have grown so much and feel that I contributed as much as a full-time employee.”

**Jessica Woloszyn**

Stillman School of Business | Double Management and Marketing Major  
Intern | iCIMS

# 2017 Experiential Education Award Winner

“This experience enhanced my career development and goals in several different ways and taught me very valuable skills that will help me as a healthcare professional in the future.”

**Veronica Barone**

School of Health & Medical Sciences | Master of Healthcare Administration  
Intern | JFK Medical Center

# 2017 Experiential Education Award Winner

“Working in a unique student model, with a PTA and OT Student, provided an opportunity to collaborate, problem solve, and learn with other students, while utilizing contemporary and evidence-based practice inter-professionally as a team.”

**Meghan Tilley**

School of Health & Medical Sciences | Doctor of Physical Therapy  
Clinical Intern | Genesis Rehab Services/Health Care

# 2017 Experiential Education Award Winner

“While developing all of these new skills and assets, I suddenly became a leader, role model, counselor, and motivator to these 22 first graders. I feel ready to take on any classroom after this experience.”

**Anne Bucca**

College of Education & Human Services | Elem Special Education - Speech-Lang Concentration  
Student Teacher | Marshall School

# 2017 Experiential Education Award Winner

“I have seen many children and adolescents demonstrate a number of positive outcomes including: emotional healing, decreased symptoms of trauma, increased social connection, and heightened self-efficacy.”

**Beyza Sinan**

College of Education & Human Services | Counseling Psychology, Ph.D.  
Game-Based CBT Externship Program | Newark Beth Israel Medical Center, Metro RDTC

# 2017 Experiential Education Award Winner

“I am honored to say that I have accepted a position after graduation at the Children’s Specialized Hospital Foundation. Working with Mr. Salerno and the Foundation has truly shown me how a successful, cohesive team operates and how to create a healthy, supportive work environment.”

**Amanda Payne**

College of Arts and Sciences | Master of Public Administration  
Administrative Fellowship | Children’s Specialized Hospital Foundation

# 2017 Experiential Education Award Winner

“The skills and insight I gained from this unique experience have allowed me to continually cultivate and enhance my personal awareness and professional development, preparing me for a career of Christ-centered servant leadership.”

**Mackaully Presutti**

College of Arts and Sciences | Social Work Major  
Senior Practicum | Normandy Park School

# 2017 Experiential Education Award Winner

“Overall, my internship helped me gain invaluable hands-on experience and reinforced my decision to pursue museum registration. It was rewarding to complete such a large project and see the impact that I had at the institution.”

**Derek Butler**

College of Communication & the Arts | Museum Professions  
Registration Internship | The Jewish Museum

# 2017 Experiential Education Award Winner

“Interning with CNBC offered me the opportunity to learn from the best in the industry and reach my full potential.”

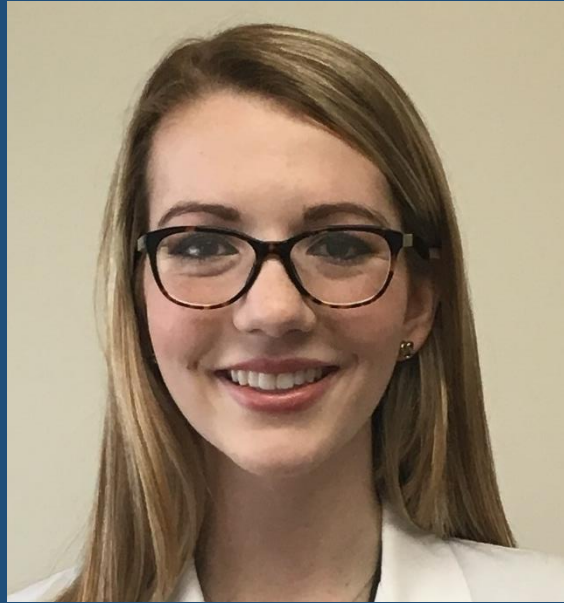

**Jasmine Igwegbe**

College of Communication & the Arts | Public Relations and Journalism Major  
Research Intern | CNBC

# 2017 Experiential Education Award Winner

“We are all human beings, and by treating my patients as such, I learned that we are all the same in one way or another, and that you just need to listen.”

**Marianna Triolo**

College of Nursing | Nursing Major  
Mental Health Assistant | Bergen Regional Medical Center

# 2017 Experiential Education Award Winner

“During my clinical experience, I have seen my confidence grow in regards to my ability to work as a Pediatric Nurse Practitioner. It has been a privilege and a joy to get to know the patients and their families.”

**Delores Vandegrift**

College of Nursing | MSN, Pediatric Nurse Practitioner Program  
Clinical Internship | Advocate Woodbury Pediatrics

# 2017 Experiential Education Award Winner

“I gained insight into security threats in Ukraine through interactive lectures and role-playing exercises with university students and young professionals that developed my international crisis management skills.”

**Joel Martinez**

School of Diplomacy & International Relations | Diplomacy & International Relations Major  
Sergio Vieira de Mello Fellowship | Geneva Centre for the Democratic Control of Armed Forces (DCAF)

# 2017 Experiential Education Award Winner

“From the editors, I learned news judgment. From the reporters, I learned how to survive in a country and/or an environment that may be hostile to journalists.”

**Francesca Regalado**

School of Diplomacy & International Relations | Diplomacy & International Relations Major  
Editorial Intern | The New York Times

# 2017 Experiential Education Award Winner

“I would encourage anyone even considering volunteering to go and do it. This experience made my first semester of college more enjoyable, and gave me something to look forward to each week.”

**Cecelia McCann**

College of Arts and Sciences | Psychology Major  
Seton Hall University Center for Community Research & Engagement  
Volunteer | UVSO After School Program at Ivy Hill Elementary School
