

Elementary/Special Education and 4+2 Programs

Field Placement Requirements in Alignment with Methods Courses

Candidates in the elementary/special education program are required to complete four field experiences in association with specific methods courses. Candidates must register for the field experience course along with their academic courses. (If you elect to complete a summer internship, you are expected to complete additional hours in the fall or spring semesters with your methods courses.)

Field Experience	Methods Course
Field Experience #1, EDST 2500	EDST 2004 Early Literacy EDST 2001 Life in Inclusive Classrooms <i>Fall Sophomore Yr</i>
