Freshman Studies at SHU

A nationally-recognized program that features:

- o Mentor
- o Peer adviser
- o University Life course

A Mentor: Just who is this?

- o First resource for questions
- o An advocate
- o Professor
- o Academic adviser

Peer Advisers

- o Your first friend
- o A fellow student who knows the ropes and can help in the transition from high school to college
- o A fellow traveler who experiences the University Life freshman seminar course with your student
- o A paid SHU employee
- o A role model

The University Life Course

- o Completes the orientation process that begins during Pirate Adventure
- o Creates a living/learning community with each student's first-year university core course, The Journey of Transformation
- o Teaches students how to use Seton Hall's vast technology network, library, career center and other Seton Hall resources
- o Provides a forum to discuss important first-year issues about time management, learning styles and test taking.

Freshman Studies=Success

- o A network of friendships and academic resources.
- o New surroundings.
- o Personal, academic and career goals.
- o University Core Curriculum.
