

Please share your support of our healthcare professionals:

- 1) Print out this heart shape.*
- 2) Write your message on the solid lines.
- 3) Cut out the heart shape with scissors.
- 4) Take a selfie and share using **#HallAlumni** or tag us **@SetonHallAlumni**.
- 5) Tape or hang this to your window to show your community!

**If you don't have a printer, let's get creative. Take a piece of paper, tape it to your screen (or not) and trace the heart. Then, write your heartfelt message inside the heart and share.*
