Housing & Residence Life | Seton Hall University

Welcome to Your Home at the Hall!

Boland Hall Lobby Blessing/Room Blessings

On Thursday, September 22, the Department of Housing & Residence Life was excited to welcome many members of the Seton Hall University community to Boland Hall to bless its new lobby. President Dr. Joseph Nyre, Vice President Fr. Colin Kay, and Resident Assistant Joseph Barrood provided remarks regarding this transformative improvement to our residential experience and, as part of larger renovations, our campus.

HRL is thrilled that students, families, and visitors are all enjoying the beautiful addition to one of our first-year residence halls. If you have not yet visited the new lobby, we would love for you to come visit!

As you know, additional blessings were offered by Campus Ministry in the residence halls. Thank you to everyone who participated in this opportunity. The program was a success. We look forward to offering the opportunity again next year!
