

Great Minds Transfer to Seton Hall

Students who transfer to Seton Hall are given the tools and opportunities to achieve great success. We offer more than 90 career-launching programs highly ranked by *The Princeton Review, U.S. News & World Report* and *Bloomberg Businessweek*. No matter your major, you'll learn from some of the greatest minds in the world, including distinguished researchers, authors, artists, industry leaders, former ambassadors, analysts and Fulbright scholars.

We know you worked hard for your college credits, and you deserve to keep them. That's why Seton Hall accepts up to 90 credits in non-remedial, non-vocational coursework in which you've earned a C or better. In addition, a dedicated transfer counselor and academic adviser will ensure your college transition is as seamless as possible.

We're committed to making your education affordable. We offer generous transfer scholarships that range between \$5,000 and \$10,000 per year, along with other financial aid benefits specifically for transfer students. If you're a Phi Theta Kappa member, you're also eligible for an additional \$2,000 scholarship.

What's more, you'll benefit from small classes, state-of-the-art facilities and a top five university for undergraduate internships. Plus, you'll enjoy the advantages of undergraduate research and study abroad opportunities in countries like China, Cuba and Italy.

With opportunities like these, great minds like you can accomplish anything.

"I transferred to Seton Hall from Syracuse because I wanted to be closer to New York City. Even though I was accepted to NYU, I chose Seton Hall because it was a caring environment and it felt like home. It was a great decision. I was a youth ambassador at the U.N., studied abroad in Italy and interned at the World Food Program. The quality of the faculty and the tremendous opportunities I've had at Seton Hall have been amazing."

At Seton Hall, you'll develop your skills and résumé — with countless hands-on learning opportunities. You can produce shows in our state-of-the-art television studio, work on cutting-edge research with your professors or start developing your own product idea. Many of our students also gain real-world experience by studying and interning in places like China, India and Portugal. Others write for our award-winning newspaper, The Setonian, or produce a show for our #1 ranked college radio station in the country, WSOU, or track public opinion at the Seton Hall Sports Polling Center. In and out of the classroom, great minds keep learning.

Internships and Career Opportunities

Here, you'll get a head start on a great career. We offer extensive career services few schools can rival. A dedicated career adviser will start working with you freshman year, and you can take advantage of more than 17,000 internship opportunities from a school ranked #4 in the nation for providing internships. It's why we have a 92% employment rate and our graduate mid-career earnings are 50% higher than the national average. Of our internship providers, 98% say they would hire our graduates if they had an opening — because they know when they hire a Seton Hall graduate, they're getting the best talent in the field.
