

ACHE's Congress on Healthcare Leadership

SETON HALL UNIVERSITY

Atena Talebzadeh

About the Congress

What: 2017 Congress on Healthcare leadership

Where: Hilton Chicago, Chicago, IL

When: March 27-30, 2017

Who: 4,000 healthcare leaders from around the globe

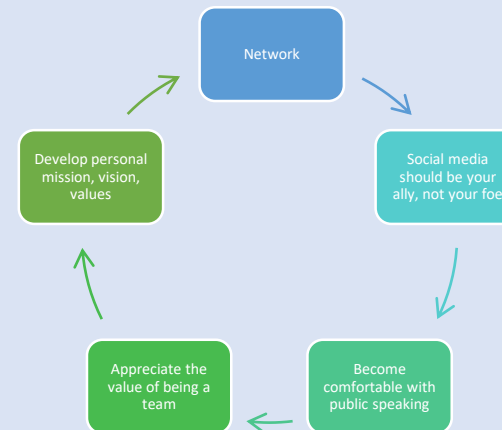

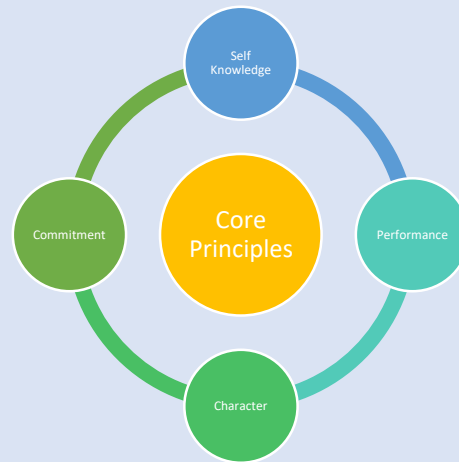

Why: To equip with professional development and networking opportunities

Professional Development

Healthcare leaders can develop skills through their choice of over 150 face-to-face educational seminars as well as general sessions presided by well-known keynote speakers.

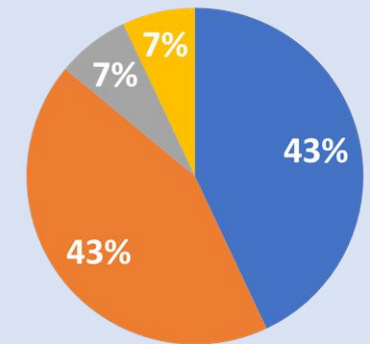

Also, ACHE's Career Resource Center offers Resume Review, Career Advising, and Employment Referral Services in addition to a wealth of networking opportunities.

Making the transition from student to executive

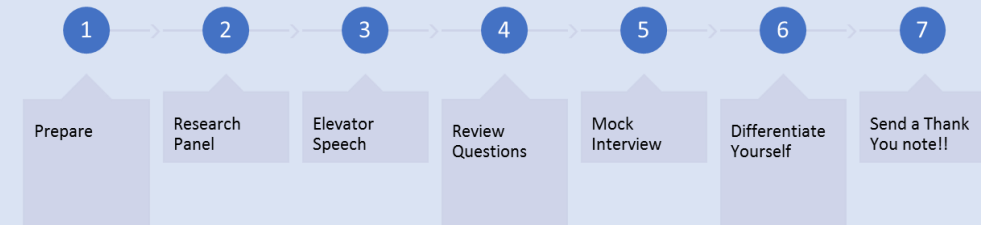

"Networking is a lifestyle, not an action; a relationship, not an event"

Where to Find Job Opportunities
