

## Rec Center Steam Line Replacement Project – Summer 2016

- Phases 1 through 4, Seton Drive will be closed between Chapel Court and Madison Avenue during working hours and open after 4 pm with temporary road plating where required.
  - During road closure, the parking deck will not be accessible from the Ward Place gate. The parking deck will only be accessible from the main gate.
  - Phase 2 through Phase 4, the Parking Deck must be entered and exited from around the back of the Rec Center.
- Phase 4, the Parking Deck must be entered and exited via the deck exit lane.
- Phase 5, the Parking Deck must be entered and exited from Seton Drive via the deck entrance lane.
  - During Phases 4 and 5, Public Safety will provide traffic control personnel to direct traffic in and out of the Parking Deck.
- After Phase 5 is completed, normal traffic pattern for the Parking Deck can resume from Seton Drive.
- Phases 6 and 7, there will be limited access around the back of the Rec Center due to construction activity.
