

Understanding The Student Employment Process – From Start to Finish:

To ensure meaningful experiences for SHU student workers and streamline the on-boarding process, it is important for all to understand the essential roles and responsibilities involved with the various processes required by the student employment office. Join us for a step-by-step discussion on the process from start-to-finish when hiring a student worker.

To register for one of the below sessions, email HRTOD@shu.edu
