Rise To The Challenge!

Last year, Pirates from around the world answered the appeal in a race to win thousands of dollars in matching money for their college or school. Goal achieving colleges and schools are awarded \$10,000 in matching funds to be put toward scholarships, training and research.

A gift from you - in any amount - could mean big bucks for the **College of Nursing**. Play a vital role in training the clinicians who will help students learn and thrive in Dedicated Education Units. Please give today and be counted as one of the **182 participants needed to reach our goal! The deadline is June 30!**
