## THE TWELFTH ANNUAL SERVANT LEADERSHIP DAY With Kevin Cummings

### THE JOURNEY IS THE DESTINATION

Kevin Cummings' journey has focused on the essence of servant leadership. He will discuss the ideas and transformative nature of continual growth, change and improvement on the path to being the best version of oneself. The goal is to serve God, family, and community. The journey is not a mere pursuit of personal gain but a focus on selfless giving and answering the questions:

- 1) Are you a leader who serves or a self-serving leader?
- 2) Can you be successful in business and still serve the greater good?

It is moving from success with its material rewards to significance where one lives a purposeful life and creates a legacy of service to one's family, co-workers, and community.

Kevin is currently a Corporate Director at Citizens Financial Group. For 14 years he was CEO of Investors Bank before its merger with Citizens Financial in 2022 in a transaction valued at more than \$3.5 billion. He led a transformation of the culture and business while growing Investors Bank from \$5 billion in 2008 to \$28 billion. He is the recipient of the NJ Ernst and Young Entrepreneur of the Year Award for this transformative growth. His most notable achievement has been leading the Bank's charitable efforts by donating over \$60 million in philanthropy and countless hours of service to the communities served by the Bank during his tenure as CEO.

Kevin Cummings earned an MBA from Rutgers University where he gave the commencement address to the MBA class in 2013.
