

CONTINUOUS DINING

Presented by Gourmet Dining, Seton Hall University & the Student Government Association

What is Continuous Dining?

Seton Hall, SGA and Gourmet Dining present the Unlimited meal plan. You can enter the dining hall as many times a day as you choose and stay as long as you please, between the hours of 7am and 11pm! Stop by for a late breakfast, a snack, lunch or even two! Come grab a coffee or soft drink in-between classes and enjoy!

For the fall semester of 2019, all freshmen and sophomores living in the dorms must select from one of our Unlimited plans. The following year, it will be mandatory for all on-campus freshmen, sophomores and juniors. By 2022-23, all Seton Hall students living on campus will be on an Unlimited plan.

FALL SEMESTER—anyone is welcome to select an Unlimited meal plan. (if not, you must select one of the other meal plans if living on campus)

HERE AT GOURMET DINING, WE LOOK FORWARD TO ALL OF THE NEW CHANGES WITHIN BOARD AND RETAIL DINING. WE ARE EXCITED FOR THIS AMAZING NEW PERIOD IN DINING SERVICES AT SETON HALL UNIVERSITY! THANK YOU!

The Pirate Dining Room will open each day for a complete hot and cold breakfast from 7-10am. From 10-11am continental breakfast will be offered along with a yogurt bar, fresh sliced fruit, and a make-your-own egg/omelet station.

From 11am until 2:30pm the entire operation will be open.

From 2:30pm until 4:45pm the “in-between late lunch period” will take place. The following will be offered: the grill featuring a menu offering 10 made-to-order items with fries. Also, open during this period will be the Mexican station, made-to-order pizza station, make-your-own egg omelet station, salad bar, deli station (featuring two hot specialty paninis each day), full bakery- featuring in-house baked variety of cakes and other sweets, ice cream and frozen yogurt, as well as hot and cold beverages.

At 4:45pm-8:15pm we will again open our full operation for dinner.

8:15pm-11pm we move to “in-between late night dining” which will feature the same items as “in-between late lunch period” but with different made-to-order grill menu with a heavy emphasis on late night breakfast sandwiches, made to order pancakes, and of course burgers, chicken, and cheesesteak sandwiches!
