Interim Provost and Executive Vice President

Re: Statement on the Retirement of Mr. Dennis Garbini, Vice President for Administration
(2019-FS-21)

Date: June 20, 2019

The Office of the Provost has received the Faculty Senate statement regarding the retirement of Mr. Garbini, Vice President for Administration, which was approved at the June 7, 2019 meeting.

There are moments in the process of shared governance when a certain statement resounds harmoniously as if tuned to a perfect pitch. We must applaud the Senate for understanding and choosing to celebrate the breadth of Mr. Garbini's service and its impact on what has transpired over the years.

We join the Senate in applauding Mr. Garbini, whose insights will undoubtedly find their way into strategic conversations in the years to come. Though he has departed the University, the legend will continue.

Congratulations, Dennis.
