

Dear Faith Based Partners,

It is my hope and prayer this note finds you in good spiritual, emotional and spiritual health. I would like to share the following items with you for our weekly Faith Based outreach nuggets:

1. March 18, 2020 The Role of the Church in the Opioid Crisis

Learn more about the role of the church as we all continue to confront the opioid crises. See the attached flyer for this event on March 18 at 12 noon in Bethany Hall. You are welcome to come and feel free to pass this along to others in your congregation who might want to come. Lunch is included so please RSVP so we can plan accordingly.

2. March 19, 2020 Diversity Speaker

You and members of your congregation are invited to attend the upcoming Inclusion Dialogue at Seton Hall University at 1 pm on March 19, 2020 in Bethany Hall. The guest speaker will be Ms. Candi Castleberry Singleton. She is the VP of Diversity and Inclusion at Twitter. Candi is the founder of the Dignity & Respect program, described in the links below. This is the fourth presentation in our year-long special series on this critical area, as we all aspire to be an institution we everyone is sacred and valued.
