This report is prepared in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

This Report is published October 1, 2021. It covers the 2020 calendar year and statistics for calendar years 2018, 2019, and 2020.

Thank you for your interest in the Seton Hall University Annual Security Report. This report, which is published annually in September, contains important information about the 2020 calendar year for our university communities. Safety and Security is always on our minds here at Seton Hall. We have committed resources to help keep our students safe and secure. The policies and procedures described here are designed to keep our community aware and safe. Please familiarize yourself with them.

This report complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (known as the Clery Act). Please review the information and policies included here. If you have specific questions, you may contact Public Safety at 973-761-9300 or my office at 973-761-9075.

Sincerely,

Monica N. Burnette, Ph.D.
Interim Vice President, Student Services
ANNUAL SECURITY REPORT

One of the country’s leading Catholic universities, Seton Hall University has been developing students in mind, heart and spirit since 1856. Home to nearly 10,000 undergraduate and graduate students and offering more than 90 rigorous majors, Seton Hall’s academic excellence has been singled out for distinction by The Princeton Review, U.S. News & World Report and Bloomberg Businessweek.

The University operates at four separate campuses – the main campus in South Orange, New Jersey, the Law School in Newark, New Jersey, the Interprofessional Health Sciences Campus in Nutley, NJ, and a nursing degree program on the campus of Georgian Court University (GCU) in Lakewood, New Jersey. This report is for the Law School, located on a separate campus at 1109 Raymond Blvd, Newark, NJ. It is in an office complex in downtown Newark. There are no residential facilities.

PREPARATION OF THE ANNUAL SECURITY REPORT AND DISCLOSURE OF CRIME STATISTICS

It is the policy of Seton Hall University (SHU) to fully comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). The preparation of the Annual Security Report (ASR) is a collaborative effort between Public Safety and Security (PS&S), the Dean of Students Office, Campus Security Authorities (CSA’s), and several local law enforcement agencies.

The Assistant Director for Administrative Services, Public Safety communicates regularly with the Security Manager at the Law School, mails annual requests for statistics to local law enforcement agencies, and is in regular communication with other departments with significant responsibilities for students and University activities. The University compiles this information into the University's Annual Security Report.

This report contains three years of crime statistics related to incidents that occurred on University property or property owned or controlled by Seton Hall, and on public property immediately adjacent to and accessible to the campus. The ASR also contains institutional policies about security, sexual violence, safety, and crime prevention.

By October 1, 2021, the Vice President for Student Services sends an email to all members of the University community notifying them of the availability of the ASR. It is available online at [www.shu.edu/ASR-Law](http://www.shu.edu/ASR-Law). You may also request a printed copy by emailing Public Safety & Security at security.request@shu.edu or by visiting the department adjacent to the Ward Gate on the main campus at 400 South Orange Avenue, South Orange, NJ.

SECURITY AND ACCESS

At the Law School, the physical condition of the building is monitored by the Department of Facilities Engineering and requests of a security nature (keys, etc.) are coordinated through the Security Manager. Electronic surveillance systems monitor Law School property as well as adjacent areas of public property. Public Safety personnel check all persons entering through a check point at the security desk adjacent to the main entrance.
To report issues about the building, contact the Director of Facilities, 3rd Floor, Rm. 302 or call x8404 during business hours. For building emergencies outside of normal business hours, contact the Security Desk at x8725.

Public Safety personnel open and close the building as scheduled.

**ENFORCEMENT AND JURISDICTION**
The safety of our campus and community is a responsibility shared by all of us. While this is led by the Department of Public Safety and Security, there are other key areas who contribute significantly to our efforts.

**Department of Public Safety and Security**
Security at the Law School is managed by a Department of Public Safety administrator who oversees a staff comprised of members of a contract guard service. Security Officers are not armed and are not sworn law enforcement personnel. Security at the Law School is provided 24-hours per day, 7 days per week, and 365 days per year. Alarm monitoring/response, CCTV surveillance, medical emergency response (CPR/AED trained) and general customer service are among the many tasks provided by the Security Officers. There is a Building Access Policy (see link below). The policies and procedures in effect at the Law School mirror those on the South Orange campus ensuring continuity and accountability in security services. Public Safety personnel have developed close working relationships with the Newark Police and other local law enforcement agencies. Seton Hall Law School has no formal memorandum of understanding with any law enforcement agency.

The Department of Public Safety and Security is located on the 1st floor, room 105.

**MONITORING AND REPORTING OF CRIMINAL ACTIVITY**
The University has no officially recognized student organizations with non-campus locations.

**REPORTING CRIMES AND OTHER EMERGENCIES**
If crimes are not reported, the University is limited in its ability to help prevent other members of the community from becoming victims. Our community is safer when we all work together to make it that way by promptly reporting crimes and by participating in and supporting crime prevention efforts.

In an emergency call 911.

Seton Hall strongly encourages that all crimes be directly reported to Public Safety at 973-642-8725 or the Newark Police Department at 973-733-6000.

In a non-emergency, SHU recognizes that some individuals may prefer to report to other officials or departments on campus. The Clery Act identifies these officials as “Campus Security Authorities” and they include:

- a) Public Safety & Security
- b) Individuals responsible for security outside of PS&S (i.e. event management, building access)
- c) An official who has significant responsibility for student and campus activities, including, but not limited to student discipline and campus judicial proceedings.
- d) Any individual or organization the institution has identified to which students and employees should report criminal offenses.
All CSA’s have been advised of their responsibility to forward any report they receive to Public Safety and Security. While the University has several CSA’s, the following places are designated as where individuals should report crimes or policy violations:

Public Safety and Security
973-642-8725

TIMELY WARNING
Public Safety & Security will issue a “timely warning” notice in the event it receives notice of a Clery crime occurring on campus, on public property immediately adjacent to the campus, or on non-campus property owned or controlled by the University, where the University determines, in its judgement, that the situation presents a serious or ongoing threat to the University community. For purposes of this policy, “timely” means as soon as reasonably practical after an incident has been reported to Public Safety and Security.

Whether to issue a timely warning is determined on a case-by-case basis for the following Clery Act crimes: homicide, sex offenses (rape, fondling, incest, and statutory rape), robbery, aggravated assault, burglary, motor vehicle theft, arson, domestic violence, dating violence, stalking and hate crimes, as defined by the Clery Act.

In deciding whether to issue a timely warning the University will consider a number of factors to determine if there is a serious or ongoing threat to the University community. Those factors include, but are not limited to, 1) the nature of the incident; 2) when and where the incident occurred; 3) the amount of the information known to PS&S. The reason why the University does or does not issue a timely warning will be documented and maintained with a copy of the incident report for a period of seven years by PS&S.

The Associate Vice President for Public Safety & Security (AVPPS&S), or his/her designee, will consult with the Vice President for Student Services, or his/her designee, who is responsible to decide if a timely warning will be issued. AVPPS&S and Vice President for Student Services will determine the content of the timely warning. The content of timely warning will include at minimum, to the extent known, the date, time, and nature of the offense, a physical description of the actor(s), and where applicable, cautionary advice that would promote safety.

A timely warning is sent by email to all members of the University community by Public Safety and Security. Several members of the PS&S department have been trained to issue these warnings. The University may also use the Pirate Alert system, the University’s text message service, to supplement the email message. Additional information about the incident may be sent by email, text message, and/or posted to the University’s website.

EMERGENCY NOTIFICATION AND EVACUATION

Emergency Response Plan
The University has a comprehensive Emergency Preparedness and Response Plan. The Plan details the processes and communications for a successful response to, and recovery from, an emergency incident.

Public Safety & Security administrators and security managers have received training in Incident Command and Responding to Critical Incidents on campus. Depending upon the nature of the incident, other University departments and other local, state or federal agencies could also be involved in responding to the incident.

General information about the emergency response and evacuation procedures are part of the University’s Campus Security Act compliance efforts and is available on the Public Safety & Security website at: http://www.shu.edu/offices/public-safety/emergency-preparedness.cfm.
**Drills, Tests, and Exercises**

Public Safety & Security tests the Emergency Response Plan at least annually through a structured tabletop exercise. The results of the exercises are analyzed and reported to the Vice President for Student Services.

An evacuation drill is conducted by Public Safety at least once per year in all non-residential buildings. Students are instructed as to the locations of emergency exits and provided guidance about the directions they should travel when existing each facility for a short-term building evacuation. Evacuation drills are not announced in advance. Public Safety personnel on the scene will communicate information to students regarding the developing situation or any evacuation status changes.

Emergency notification systems are tested twice per year.

**Emergency Notification**

The University will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Public Safety & Security is responsible for responding to all significant incidents that may occur on campus. Once a PS&S officer confirms that there is, in fact, an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the University community, he/she will notify supervisors to issue an emergency notification. The supervisors have authority to immediately issue an emergency notification if the situation warrants. The Associate Vice President for Public Safety & Security (AVPPS&S), or his/her designee, will consult with the Vice President for Student Services, or his/her designee, to determine additional modes of notification.

Generally, the community members in the immediate area of the dangerous situation (i.e. the building, surrounding area) will receive the notification first. The University may issue subsequent emergency notification to a wider segment and/or to the entire community to be aware of the situation and what steps they should take.

Public Safety & Security is responsible for issuing emergency notifications; three individuals have been trained to do so – Associate Director, Assistant Director, and Assistant Director for Administrative Services. Several templates have been developed for notifications. The individual issuing the notification will select the appropriate template and modify it to reflect the specifics of the situation. The Vice President for Student Services, or his/her designee, will assist with the content as needed.

The University has several systems it may use to communicate quickly with the community:

*PirateAlert System* - This is the University’s electronic mass notification system through which warnings and instructions are transmitted to the University community via cellular voice, cellular text, landline telephone, and e-mail. All SHU community members are automatically registered to receive e-mail messages and are urged to register with PirateAlert to receive messages through the other modes. In addition, all community members who provide a cell phone number as part of their application automatically have that number entered into the system. PirateAlert is used throughout an emergency event to alert and warn the community of an impending or occurring hazard, to provide instructions
such as “shelter-in-place,” or to inform the community when the hazard has been abated. The PirateAlert system may also be used to alert the community to hazards that are beyond the scope of crimes and locations specified by the Campus Security Act.

**Fire Alarm Systems** - All Seton Hall University facilities are equipped with fire detection and alarm systems that activate automatically when heat or smoke conditions occur within the facility. Fire alarm systems can also be triggered manually by building occupants or Public Safety personnel when indications of a fire, indoor hazardous materials incident, or other localized hazards are detected. All SHU community members are trained through fire safety programs to immediately evacuate when the fire alarm system activates.

**Route Alerting** - For situations in which the university’s electronic notification systems have been rendered inoperative or ineffective, Public Safety personnel and trained volunteers including the SHU Community Emergency Response Team (CERT) members are dispatched to locations on campus to alert, guide and provide emergency instructions directly to the community.

**SHU Web Site and E-mail Alerts** - For emergency events for which there is adequate warning time to alert the SHU community, warnings and detailed emergency instructions may be posted on the SHU web site and broadcast via E-mail Community Alerts. A SHU Emergency Web Site can also be activated to replace the regular web site during emergency events.

An emergency affecting the SHU community would generate concern from groups beyond the individual location. Emergency notification may be disseminated to the larger community through the University website and local, regional, or national media.

**SECURITY AWARENESS & CRIME PREVENTION PROGRAMS**

The University encourages all members of the community to be active participants in the prevention of crime. Public Safety leads this effort with the support of other campus departments through educational programs held throughout the year.

**DRUG, ALCOHOL, AND SUBSTANCE ABUSE**

The possession, sale, or the furnishing of alcohol on the University campus is governed by University policy and New Jersey state law.

The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Similarly, University policy does not permit the use, possession, manufacture, or distribution of controlled substances, including paraphernalia on campus property. Enforcement
of University policy is the responsibility of Housing & Residence Life staff and Public Safety & Security personnel.

Violators of the University’s alcohol and/or drug policies are subject to disciplinary sanction that may range to University expulsion. In addition, individuals may be referred for criminal prosecution that may include fine and imprisonment.

For employees, substance abuse is detrimental to an individual’s health and may jeopardize safety in the workplace. For these and other reasons, the unauthorized use, possession, storage, manufacture, distribution and sale of alcohol, controlled substances, and illegal drugs is prohibited on campus for all employees. For more information consult Human Resources or the “Drug and Alcohol Free Workplace Policy” at https://www.shu.edu/policies/drug-alcohol-free-workplace.cfm

Seton Hall University is committed to a healthy environment for all members of our community. The University’s comprehensive education programs exceed the requirements of the Higher Education Act of 1965, as amended. The biennial review of these programs and more detail about the programs offered can be found at https://www13.shu.edu/offices/student-life/community-standards/dfsca.cfm.

CAMPUS SEXUAL VIOLENCE ELIMINATION ACT (SaVE Act)
The Campus SaVE Act, passed in 2013 as part of the Violence Against Women Reauthorization Act, amended the Clery Act to require that colleges and universities include important information about sexual misconduct and violence crime statistics, education, and security-related information in the Annual Security Report. The crime statistics are included at the end of this Report; the education and security-related information follow.

Education & Outreach – Students:
Seton Hall University is committed to fostering a positive and safe working and learning community. All new students receive information in written form about University policies, resources, and reporting procedures during Orientation. Students sign a Memorandum of Understanding stating that they have received this information. Students are also made aware of information about policies and resources during the year through the University’s dedicated website, http://law.shu.edu/student-life/titleix/, various brochures and printed materials, and active programs such as “Take Back the Night.”

Education & Outreach – Employees:
All new employees attend New Employee Orientation within a month of their start date. During this program the Director of EEO Compliance and Title IX Coordinator presents information to all employees about:
University Policy Against Discrimination and the Guidelines for Responding to Complaints of Discrimination, Harassment and Retaliation
Conscientious Employee Protection Act and Reporting via EthicsPoint
Equal Employment Opportunity Affirmative Action Statement
Title IX
Non-discrimination/Title IX Statement
Responsible Employees: Reporting Obligations Under Title IX
Confidential Reporting Resources
Resource Guide for Assisting Student Victims of Sexual Violence

Reporting Options for Survivors

This information is presented orally and in written format.

All employees and faculty members are required to complete two online training modules on a biannual schedule. The modules are: Preventing Discrimination & Sexual Violence: Title IX, VAWA and CLERY Act for Faculty and Staff and Discrimination & Harassment Prevention for Higher Education. These on-line programs provide information on federal and state law as well as specific Seton Hall policies and procedures. The training provides information on definitions of discrimination and sexual harassment including sexual violence, reporting protocols and questions/vignettes to apply the definitions to different scenarios and fact patterns in order to assist with the understanding of the material.

The Title IX Coordinator and Deputy Title IX Coordinators offer ongoing training on resources, policies, and required reporting protocol to any student group, faculty, or staff department upon request.

Retaliation Policy:
Retaliation against an individual who exercised his or her right or responsibilities under the Campus SaVE Act is prohibited. The University deems retaliation as serious offense as outlined in its policy here.

Written Notification of Rights and Options:
The University will provide written notification to a student or employee who makes a report of sexual misconduct or violence.

Confidential Reporting - Students:
The University strongly encourages accurate and prompt reporting of these crimes to both campus officials and to local law enforcement. There are, however, options available for students who wish to maintain confidentiality while getting the support they need.

Crimes reported to a member of the clergy, of Counseling & Psychological Services (CAPS), or of Health Services, when that member is acting in performance of his/her role as clergy, counselor, or medical provider, are considered confidential and will not be reported without the consent of the reporting individual. As a matter of practice, victims and witnesses are provided information as to how they may report a crime on or off campus. By law, members of CAPS and Health Services are required to report when an individual has expressed intent to harm him/herself or others.

Preservation of Evidence and Medical Exam:
A victim can receive medical attention at any medical facility; however, certain facilities have specially trained staff to help survivors of sexual assault. Locally, these hospitals have sexual assault nurse examiners:

Newark Beth Israel Medical Center
201 Lyons Avenue
Newark, NJ
1(800)843-2384

Saint Barnabas Medical Center
94 Old Short Hills Road
It is important to preserve evidence that may be useful in obtaining a protection order or in proceeding with a criminal investigation should one choose to do so. Completing a forensic exam does not require a victim to file a police report or report to the University, although the University encourages these reports if the victim is comfortable doing so.

Medical exams can also address other physical needs or trauma and assess for sexually transmitted infections or pregnancy.

If possible, the victim should not bathe, douche, smoke, use the toilet or clean the location where the incident occurred. He/she should save items he/she was wearing, and sheets, or towels in a paper bag.

Text messages, records of phone calls, emails, pictures, notes, and gifts can all be pertinent for a report of sexual assault, dating violence, and domestic violence or stalking.

**Privacy:**
The University will maintain as private any accommodations or protective measures provided to a victim if it does not impair the ability to provide such measures. Personally identifiable information about victims will not be included in any publicly available record-keeping, including the reporting and disclosure of crime statistics. In addition, should the University be required to issue a Timely Warning as specified by the Clery Act, it will withhold the name and any identifying information of victim of any crime.

**NOTE:** A victim of sexual misconduct **always** has the options:
- To notify either the police or campus authorities.
- To obtain assistance from campus authorities to notify the police.
- To decline to notify the police or campus authorities.

To make a report to local law enforcement:
Newark Police Department
973-733-6000
The University encourages reports be made to the police and will support you in doing so. The Department of Public Safety and Security will assist you in contacting local law enforcement agencies to initiate an investigation if you so choose.

Restraining Order and No Contact Order:
A Restraining Order is a legal order of protection issued in the state of New Jersey. To obtain a restraining order, you must go to the law enforcement agency for where you live in NJ or for where the incident occurred. After taking your statement, the police will arrange for you to speak with a judge (usually by phone) who will issue a Temporary Restraining Order. You will then be given a court date for when the judge will determine if the Temporary Restraining Order will become Permanent. Again, we will assist you in getting to the police, the courthouse, or any other related places. You can find more details about restraining orders in NJ here - https://www.judiciary.state.nj.us/prose/11253_dv_act.pdf.

A No Contact Order is issued by Seton Hall University and only has authority over individuals associated with the University. It limits contact between the parties. Violation of the No Contact Order is a violation of University policy and subject to separate review for disciplinary action.

Definitions:
The State of New Jersey definitions of Domestic Violence, Sexual Assault, and Stalking can be found later in this report with the other Crime Definitions. New Jersey does not have a definition for Consent of Dating Violence.

Following are the definitions for Seton Hall University -

Consent:
Consent is the unambiguous, knowing, and voluntary agreement between the participants to engage in specific sexual activity. Consent must be demonstrated through mutually understandable words or actions clearly indicating a willingness to engage in that activity.
  • Past consent between the participants does not imply future consent.
  • Silence or the absence of resistance does not imply consent.
  • Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another.
  • Consent can be initially given but may be withdrawn at any time.
  • Consent cannot be given under coercion, force, restraint, or threat.
  • Children and minors cannot consent in accordance with New Jersey law. N.J.S.A 2C: 14-2.
  • Consent cannot be given when asleep, unconscious, or incapacitated.

Incapacitation is not being able to knowingly choose to participate in a sexual activity. A person who is voluntarily or involuntarily intoxicated or drugged to the point of incapacitation, asleep, unconscious, involuntarily restrained, or otherwise unaware, cannot give consent.

Sexual Misconduct
Sexual misconduct is unwelcome conduct of a sexual or gender-based nature that may adversely and unreasonably interfere with someone’s education or work. It is determined based on the perspective
of a reasonable person in the same circumstances as the person experiencing the misconduct. It is a
form of discrimination and includes acts of sexual assault or sexual harassment as defined below.
Sexual misconduct can occur in person or through e-mail, the Internet, social media, or other
technologies. Anyone, regardless of gender, affectional or sexual orientation, actual or perceived, or
gender identity and expression, can be the victim of sexual misconduct.

a. Sexual Assault: (Non-consensual intercourse). Sexual assault is the penetration, no matter how
slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of
another person, without the consent of that person.

b. Sexual Assault: Non-consensual sexual contact. Nonconsensual sexual contact means the
deliberate and unwelcome touching of another person’s intimate parts (sexual organs, genital area,
anal area, inner thigh, groin, buttock or breast of a person) without consent for sexual gratification
or touching another with one’s own intimate parts, without consent, and for the purpose of sexual
gratification.

c. Sexual Harassment. Sexual harassment is unwelcome conduct of a sexual nature, including sexual
advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature. Hostile
environment sexual harassment is based on a person’s actual or perceived gender and is conduct that
a reasonable person would consider so offensive, severe, persistent, or pervasive as to interfere with a
person’s ability to participate in educational or work activities or programs. Sexual harassment can be
verbal, written, graphic, physical or through digital, online, or social media communications. Sexual
harassment may occur between persons of any sex/gender and anyone can be sexually harassed.
Harassment on the basis of sex may also occur without sexual advances or sexual overtones when
conduct is directed at an individual or group because of their sex or gender.

d. Dating and Domestic Violence. Both dating and domestic violence are prohibited forms of
misconduct under this policy and do not have to involve sexual interaction. They frequently involve a
pattern of abusive behavior within an intimate relationship where one partner uses fear and
intimidation to harm or control the other.

1. Dating violence is any act of violence committed against a person who is, or has been, in a
social relationship of a romantic or intimate nature by a person accused of the violation. It can
include verbal statements and/or physical actions and can include, but is not limited to, name-
calling, hitting, threat of physical harm, and/or damaging property. Under New Jersey criminal
law, dating violence is prosecuted as a form of domestic violence.

2. Domestic violence involves criminal acts that are committed against a current or former
spouse, an intimate partner, a person with whom the parties have a child in common, or with
whom they live or once lived. Under New Jersey law, domestic violence includes, but is not
limited to, criminal acts of homicide, assault, threats, kidnapping, criminal restraint, false
imprisonment, sexual assault, criminal sexual contact, lewdness, criminal mischief, burglary,
criminal trespass, harassment, and stalking.

e. Stalking. Stalking is also a prohibited form of misconduct that does not have to involve sexual
interaction. Stalking is a course of conduct (or series of acts) directed at a person on at least two or
more occasions that would cause a reasonable person to fear for their personal safety or the safety of
others or suffer substantial emotional distress. Stalking can include pursuing/following, unwanted
communication, whether directly or through third parties, trespassing, surveillance, or other acts likely
to intimidate, annoy, or alarm.
In matters involving allegations of sexual misconduct or discrimination, terms and conditions shall be interpreted consistent with the requirements of the Policy Against Sexual Misconduct, Sexual Harassment and Retaliation.

Additional Notes on Victim’s Rights in Pursuing a Complaint:
Victims have the right to pursue criminal charges against the accused/respondent. If the respondent is a student, complainants can also pursue campus action through the University Disciplinary Process or EEO Compliance Office regardless of where the offense occurred. Victims have the right to choose counseling and medical treatment and to report and pursue their case through the University’s system and/or the off-campus court system. They have the right to refuse these options without reproach from any University personnel.

- Victims have the right to be treated with dignity and seriousness by University personnel.
- Victims of personal crimes have the right to be reasonable free from intimidation and harm.
- University personnel should inform victims that: 1) they are not responsible for crimes committed against them; 2) they should not consider themselves negligent or in any way a contributor to the crime; and 3) that adverse publicity for the college will NOT be a factor in deciding the best course of action.
- Victims will be made aware of appropriate support services, including counseling.

Assistance and Campus Resources - Students:
Regardless of whether the victim chooses to report what happened to local police or to the University discipline system, there is assistance available, such as:

- Academic assistance - address difficulties with classes
- Transportation assistance – to get to the hospital, the police, etc.
- Counseling – confidential services available on campus
- Safety and Security – 24-hour escort service on campus
- No Contact Order – a University directive prohibiting direct or indirect contact between the victim and the Respondent when the Respondent is a student or employee.
- Persona Non Grata (PNG) – when the Respondent or the accused is not a student, he/she can be issued a PNG letter, limiting or prohibiting access to campus.

To obtain any of the above assistance, the victim is encouraged to speak with the Associate Dean for Academic Affairs/Deputy Title IX Coordinator who will arrange the resources if requested and reasonably available. The Associate Dean can be reached at (973) 642-8707, or 3rd Floor, Rm. 305.

Assistance and Campus Resources - Employees:
Regardless of whether the victim chooses to report what happened to local police or to the campus discipline system, there is assistance available, such as:

- Workplace Accommodations – assistance with a location or shift change if reasonably available
- Safety and Security – 24-hour escort service on campus
- No Contact Order – a University directive prohibiting direct or indirect contact between the victim and the Respondent when the Respondent is a student or employee.
- Persona Non Grata (PNG) – when the Respondent or the accused is not a student, he/she can be issued a PNG letter, limiting or prohibiting access to campus.

To obtain any of the above assistance, the victim is encouraged to speak with the Director of EEO
Compliance/Title IX Coordinator who will arrange the resources if requested and reasonably available.

**Disciplinary Procedures/VAWA:**
The person bringing forth the report or complaint is referred to as the Complainant. The person against whom the complaint is made is referred to as the Respondent. Whether the Respondent is a student or employee/faculty member/vendor depends upon which Disciplinary Process is used.

**Disciplinary Procedures – Student Respondent:**
The University disciplinary procedures will provide a fair, prompt, and impartial process from investigation to final result. The investigation and any hearing will be conducted by those who receive annual training on issues related to VAWA crimes, how to conduct an investigation, and a hearing process that protects student safety and promotes accountability. Parties are entitled to the same opportunities to have an advisor of their choice present at any hearing and related meetings. There is no limit to the choice of an advisor. Advisors may speak privately to their advisee during the proceeding. Parties will be informed simultaneously in writing of the outcome of the process, the availability of any appeal procedures, and when the results become final after any appeals.

The disciplinary process available for victims of sexual violence is the Student Code of Conduct procedures available in full at [https://law.shu.edu/Students/rights/upload/honor-code.pdf](https://law.shu.edu/Students/rights/upload/honor-code.pdf).

The steps taken are:

1. Official report taken by the Deputy Title IX Coordinator.
2. Investigation, including interview of all parties and any identified witnesses. The investigation will be completed as quickly as possible, normally within four weeks of the official report.
3. If the matter is referred for student conduct hearing, the complainant and the respondent will be notified in writing of the official charges, the time and date of the hearing, and copies of any incident reports, statements recorded, and interview summaries. The hearing will be scheduled to accommodate the parties' class schedules only. The hearing will normally be scheduled within two weeks of the official notification.
4. Both the complainant and respondent are encouraged to meet with the Honor Council Faculty Chair to review hearing procedures at least one week prior to the hearing.
5. Both the complainant and respondent will be notified in writing of the decision of the Honor Council within five days of the decision being final. Such notification will include the effective date(s) of any sanction(s) issued.
6. Both the complainant and respondent will have the opportunity to appeal within five days of receiving the Honor Council decision. The grounds for appeal are and detailed appeal procedures are listed in the Student Code of Conduct and included in the written notification of the Honor Council’s decision.
7. Both the complainant and respondent will be notified in writing of the decision of any appeal within 20 days of receipt of the appeal. The appeal authority may increase any sanction issued, decrease any sanction issued, or refer the case for review by a new Board. The written notification will include any change to the original sanction, including any change to the effective date. The decision of the appeal authority is final.

**Standard of Evidence – Student Process:**
The standard of evidence used in determining responsibility for violation of the Honor Code is Preponderance of the Evidence.
Possible Sanctions:
A student found responsible for violation of the University’s policy of sexual misconduct is subject to any of the following possible sanctions.
Responsible for Sexual Assault (Non-consensual intercourse) – University Suspension for one semester, University Suspension for two semesters, University Suspension for three semesters, University Suspension for four semesters, or University Expulsion.
Responsible for Sexual Assault (Non-consensual sexual contact), Dating Violence, Domestic Violence, Stalking, or Sexual Harassment – Disciplinary Probation for one semester, Disciplinary Probation for two semesters, Disciplinary Probation for three semesters, Disciplinary Probation for four semesters, Disciplinary Probation for the remainder of time enrolled at the University, University Suspension for one semester, University Suspension for two semesters, University Suspension for three semesters, University Suspension for four semesters, or University Expulsion.

In addition to the above issued sanction(s), we may require an educational or developmental sanction such as required counseling, mandated change in residence, restricted access to campus or programs, or required service. Note that this type of sanction is additional and is not a sanction for sexual misconduct or violence by itself.

Sanctions of University Suspension for any period of time and University Expulsion are noted on the academic transcript.

Employee Complaint Process:
In those cases when the accused is an employee of the University, the matter is referred to the Office of EEO Compliance and Title IX Coordinator.

The person making the complaint or report is called the “complainant.” The person accused is called the “respondent.” The investigation is conducted by the Director of EEO Compliance/Title IX Coordinator (Director) and an assigned co-investigator. The investigators will interview the Complainant, the Respondent, and any witnesses with direct knowledge about the incident. The investigators will also collect any evidence that directly relates to the incident.

Both the Complainant and the Respondent may be accompanied to any meeting by an adviser of their choice for the sole purpose of providing support. The support person may not have personal knowledge of or involvement in the matter being reviewed. Respondent’s supervisor may not serve as a support person. The support person is not permitted to participate in the investigation by, for example, asking or answering questions. A participant’s legal counsel shall not be permitted to participate in or interfere with the University’s investigation.

Timeline-Employee Complaint Process:
All matters are handled as promptly as possible. The exact timeline will vary depending upon the complexity of the matter, the number of individuals involved, etc.

The Investigation and Final Report will normally be completed within 50 days of receipt of the complaint by the Director.
Within five (5) business days after receipt of the complaint by the Director, the Director will determine, in his/her discretion, whether the complaint falls within the Director’s authority and notify the Complainant.

Within five (5) business days after notification to the Complainant that the complaint falls within the Director’s authority, as described above, the Director, in consultation with appropriate University personnel, will evaluate the complaint and determine whether an investigation and/or other action is necessary. Although consultation with University personnel is called for under these Guidelines, the determination of whether an investigation is necessary remains at all times with the Director.

Within ten (10) business days following the completion of the investigation, the Complainant and Respondent will be advised verbally of the findings at separate meetings with appropriate University personnel. A confirming letter may be provided.

**Standard of Evidence—Employee Process:**
In evaluating the evidence and assessing credibility, the Investigators will use a “more likely than not” standard to find facts and determine whether a violation of University policy has occurred. The factual findings of the Investigators are final and are not subject to appeal.

**Sanctions—Employee Process:**
If it is determined that a violation of University has occurred, the investigators will make recommendations as to responsive action. Final determination of responsive action is made by appropriate University personnel (i.e. supervisor, Human Resources).

When disciplinary action is recommended, such action may include one or more of the following:

- Informal and formal counseling
- Mandatory training
- Progressive disciplinary action
- No-contact directive
- Transfer of position
- Removal of administrative appointment
- Demotion
- Suspension
- Termination of employment

In addition to other sanctions, the Title IX Coordinator may recommend employment modifications, as may be appropriate, supervision and/or security at locations where the Prohibited Conduct occurred or is likely to recur; arrange for conducting targeted or broad-based educational programming or training for relevant persons or groups; and/or impose any other remedial or protective measures that are tailored to achieve the goals of the policy.

**Grievance Procedure – Title IX**
On May 19, 2020, the US Department of Education issued a final rule under Title IX of the Education Amendments of 1972. Only incidents which fall within the scope of the Final Rule’s definition of “covered sexual harassment” will be handled in accordance with this Grievance Procedure. All other incidents will be referred to the Student Conduct Process or Employee Process described above.
**CAMPUS SEX CRIMES PREVENTION ACT**

A law requiring convicted sex offenders to report to appropriate state and local agencies responsible for sex offender registration and document their enrollment as a student, volunteer or acceptance of employment at educational institutions. The University will be notified of all offenders who fit the criteria. The New Jersey State Police website for information on registered sex offenders can be found at [http://www.njsp.org/info/reg_sexoffend.html](http://www.njsp.org/info/reg_sexoffend.html).

**GOOD SAMARITAN POLICY**

Student health and safety are fundamental to our community. Whenever there is concern for another student or belief that assistance is needed, students are expected to contact Public Safety. In the case of a medical emergency, students should immediately call 911.

Students who seek medical assistance for themselves or for an individual who is intoxicated or experiencing an alcohol-related emergency will not be subject to University disciplinary action related to the alcohol policy. Furthermore, the intoxicated student who receives medical assistance will not be subject to University disciplinary action.

When an incident that falls under the Good Samaritan Policy occurs, the student(s) involved will be required to meet with the Office of the Dean of Students to review the matter. While no formal disciplinary sanction (i.e. Probation) will be applied, an appropriate educational response may be. This may include participation in an educational class, mandated counseling assessment, additional fee for ambulance service, and/or parental notification. Failure to complete the educational requirements will result in referral to the University discipline system.

The following is also of important note:

- Other violations of the Student Code related to the same incident may be referred for disciplinary review and sanction.
- A student involved in more than one incident that falls under the Good Samaritan Policy may be subject to disciplinary sanction.
- Students may still be subject to local and state law for their behavior.
- The University reserves the right to review each incident on a case-by-case basis.

CRIME DEFINITIONS – STATE OF NEW JERSEY
The Violence Against Women Act requires the inclusion of certain state definitions in the Campus Security Report and also require that those definitions be provided in campaigns, orientations, programs and trainings for employees and students. Definitions required include consent, dating violence, domestic violence, sexual assault, and stalking. Note that the crime statistics listed later in this document are based upon federal definitions as required by the Campus Security Act, and are not reflective of state definitions.

Consent: New Jersey State does not define consent in a separate statute.

Dating Violence: New Jersey State does not specifically define “dating violence.” However, under New Jersey Law, intimate relationships are covered by the definition of domestic violence when the act constitutes a crime listed elsewhere in this document and is committed by a person in an “intimate relationship” with the victim.
