

Welcome Faculty!

<http://library.shu.edu/>

University Libraries is excited to collaborate with you this semester and beyond. Let us help you research more efficiently with the latest tools and electronic resources. Use this list to get started:

1 Find your library liaison:

<http://library.shu.edu/library/subject-librarians>

Every department has designated librarian who can give you a tour and help you navigate the many services we offer including instruction and collection development.

2 Decide what services you need for the first semester:

<http://library.shu.edu> -> [Services](#)

Look here for Interlibrary Borrowing and dissertation guidelines.

3 Search databases in your discipline:

<http://library.shu.edu/az.php>, [Search by Subject](#)

Let us know if there is a specific database you are looking for.

4 View our Research Guides:

<http://library.shu.edu/subject-guides>

Launching pads for discipline-specific and course-specific research.
