

Pirates LaunchPad Summer Accelerator 2024 Application

Pirates LaunchPad Summer Accelerator is a free eight-week virtual program for Seton Hall University’s student entrepreneurs. All SHU undergraduate and graduate student entrepreneurs and aspiring student entrepreneurs are invited to apply to the program. Pirates LaunchPad is part of the entrepreneurship education programs sponsored by the Center of Innovation and Entrepreneurship.

To be eligible, students must have already launched a business and desire to take the venture to the next level. Or, students must be developing a business model that they wish to eventually launch as a business and/or enter their business model in a collegiate startup competition. Students can apply as solopreneurs – businesses with one founder—or as teams of up to six students. Each team is eligible for \$2,000 in seed investment funding.

To be considered for the 2024 summer program, please complete this application by the May 22 deadline and email to Susan Scherreik, Director, Center of Innovation and Entrepreneurship, at scherrsu@shu.edu.
